ADA Repeats Civil Rights Stand

WASHINGTON—(ANP)—Consideration of a strengthened civil right plank in the platforms of both major parties was the major item of business at the fifth annual convention of Americans for Democratic Action which met last week at the Statler hotel. Seven hundred delegates from 40 states drafted policies to guide the ADA through the 1952 political campaigns.

The convention affirmed the position adopted by the ADA national board last March calling upon the Democratic party to strengthen its '48 civil rights plank by the addition of a pledge

Present-Day Application

By Frederick D. Jordan
 Los Angeles, Calif.

Each quarter we seek to call attention to the many evils of our modern living that cause destruction of life. We include anger, hate, envy, covetousness, violence and other social ills. Then we conclude with scientific and moral reasons for total abstinence in the matter of beverage alcohol. Today the number one evil is not alcohol but dope. Every major crime wave may be traced to the use of narcotics. Thousands of very young lives are being wrecked every day. Men are growing rich through smuggling dope into this country, others through the sale of it to our young people. True, temperance and moderation are commended for all things, but for narcotics and for the consumption of alcoholic beverages, total abstinence is required because of the utter degradation, crime, critical injuries and death that follow closely in the wake of their use. Human life is precious in the sight of God, whatever defames or destroys it is to be condemned. The spirit of destruction is contrary to the mind of Christ. It is your obligation and mine to help sponsor and encourage any movement to stop the use of destructive elements.

to work for a majority cloture rule in the senate.

Francis Biddle, national chairman, opened the convention with his annual report in the Presidential Room at the Statler. Hubert H. Humphrey, vice-chairman of the ADA and leader of the civil rights group in the 1948 Democratic national convention, delivered the keynote address.

President Harry S. Truman spoke at the convention banquet. Seated at the speakers' table with the President were four Democratic presidential aspirants, Mutual Security Administrator W. Averell Harriman and Senators Hubert Humphrey, Brian McMahon and Estes Kefauver.

Among Negro leaders attending the convention were Roy Wilkins, NAACP; George L. P. Weaver, former director of the CIO committee to abolish discrimination; F. McLaurin, international representative of the Brotherhood of Sleeping Car Porters, AFL; Mrs. Sadie T. M. Alexander, Philadelphia attorney and former member of the President's Commission on Civil Rights, and Col. Campbell Johnson, deputy director of the Selective Service System.
