**TASTY SNACK TRAY**  
... a must for informal parties

For informal celebrations there's nothing better than a colorful, taste-tempting snack tray. In hardly any time at all a clever hostess can have an assortment of cold cuts, cheeses and hors d'oeuvres ready to satisfy the heartiest appetite. As this picture suggests, it's a good idea to arrange your snack tray around mounds of crisp, golden brown "Fritos" corn chips. Corn chips are always ready to eat... just pour them out of their flavor-sealed, moisture-proof bag... and their crunchy, nutty flavor blends perfectly with all kind of cold cuts and with both hot and cold beverages. Just one note of caution... be sure to have plenty of "Fritos" corn chips on hand for your parties. They go faster than the proverbial hotcakes!

**SNACK TIME SUGGESTIONS**

- Deviled Eggs...** mix hard-cooked egg yolks with deviled sandwich spread, season with mustard, salt and pepper, and refill shells. Top with slices of pimiento.
- Ham n' Cheese Rolls...** combine chopped stuffed olives and sweet relish with cream cheese, spread on slices of spice ham and make into a roll.
