Four Honored For Work In Race Relations

DETROIT (ANP)—Four persons received the annual award of St. Cyprian's Episcopal church last week for outstanding achievements in race relations.

The four are Hoke Levin, white, president of Hardley-Finsterwald Co., Mrs. Fred T. Murphy, white, civic leader, of Grosse Pointe, Mich., John C. Dancy, director of the Detroit Urban League and Dr. William Gordon, a druggist of Pontiac, Mich. and member of Pontiac Urban League.

Levin received his citation for introducing complete integration among employes of his company regardless of race or creed. The company which operates a big downtown store is the first in

the state to appoint Negroes in all departments of its operations. Mrs. Murphy was honored for her activities for the general welfare of minority groups. Dancy was honored for training and direction given to many persons now occupying positions for leadership. Dr. Gordon was cited for advocacy of racial integration in the Pontiac school system.

The presentations were made by the Rev. Malcolm G. Dade, rector of the church.
