Pierre Langlois defeated favored Rocky Castillani in the middleweight boxing title tournament held in New York's Madison Square Garden last Friday night. However, some people thought that Castillani won the fight.

There was a disputed knock down in the 11th round. When the round was half over, Castillani went down. Some thought that he was pushed, but Referee Ruby Goldstein said it was a legitimate knock down. That was the deciding point of the fight.

One of the biggest basketball upsets of the season was pulled by the University of Nebraska, last Saturday night. They defeated the highly favored Kansas State basketball team by a score of 80 to 67. NU took the lead midway in the first period and never gave it up. The outstanding players of the game were Fred Seger with 19 points and Bill Johnson who in spite of the fact that he fouled out in the third quarter, scored 15 points. When Johnson went out Renzelman came in and poured in 13 points. The victory was NU's fourth win against two defeats.
