People In The News

The death of Bishop John A. Gregg last week in Florida takes one of the key men from the ranks of the African Methodist Episcopal Church. The 76 year old prelate was internationally known and respected. Bishop Gregg had been to Lincoln on a number of occasions. At one time he was Bishop of the district that includes Lincoln.

Just ran across quite an article on Nebraska's budget director, Arthur B. McCaw, that appeared in the January 21 issue of the Christian Science Monitor.

Mrs. Lillian Powell was in the hospital during the past week for observation.

Wieland Terplay, Golden Gloves regional bantamweight champion, has turned professional.

Charles Bryant, Nebraska University wrestler, suffered an injury during the past week that puts him on the shelf for the remainder of the season. In eight meets, Bryant had dropped only two decisions.

Mrs. Anne Newton made the March issue of COLOR magazine. The magazine features several pages of pictures of the sororities and fraternities that met in Cleveland during the Christmas holidays. Mrs. Newton is in a picture of Silhouettes-wives of members of Kappa Alpha Psi fraternity.

Hope this Stanley R. Glenn is as good as the advance notices claim. He will have to be quite a backstopper to beat out experienced Western Leaguer Walt Novick.

Hair Tonic

One effective method of applying hair tonic of warm oil to the scalp is by use of a medicine dropper. In this way it can be applied directly to the roots without mussing the hair or getting it oily.

Rugs

Try to remember when purchasing new rugs that are to be subjected to a good bit of sunlight, that browns, dark blues, and greens, will fade more readily than lighter shades.

Small Plants

It is well to watch carefully the soil around small plants. Many of these plants are lost because the surface of the soil is allowed to become hard and crusted and the little seedlings do not possess sufficient strength to force their way through.

Patent Leather Shoes

Patent leather shoes can be prevented from cracking if a small amount of petroleum ointment is rubbed over them regularly. This also gives them a good polish.

Potatoes

The flavor of boiled fresh potatoes can be very much im-

proved by adding a sprig of mint to the water.

members of the organization gave high-lights of the History of the P.T.A. before Elliott P.T.A. was formed. Miss Sadie Baird, former principal of Elliott, was guest speaker of the afternoon. Mrs. Van Dorn was in charge of refreshments.

The LaFolletts Social Club, met at the home of Mrs. Walter Bell, Jr. Mrs. Thomas and Mrs. Williams were hostesses.

Women Eligible For Federal Juries

Starting May 11, women may serve as jurors in the Lincoln Division Federal Court.

Though Nebraska has eight divisions, only four are equipped with facilities for women. The four divisions to use women jurors are: Omaha, Norfolk, Hastings, and Lincoln. Those for men due to lack of facilities are: Chadron, McCook, North Platte and Grand Island.

It is not necessary for women to give reasons for refusing to serve as jurors, but men must give valid and acceptable reasons.

Clerk Carl H. Worley says, that experience in the three other divisions indicate that women do not asked to be excused, more often than men.

Facilities for women jurors in the Post Office building were completed too late for the October term.

proved by adding a sprig of mint to the water.

Hard Sauce

A hard sauce can be made by creaming a third of a cupful of confectioners sugar. Add a half teaspoonful of vanilla, and if desired a few drops of sherry flavoring.

Stockings

When mending children's stockings, always weave the thread around the hole before beginning to darn and it will strengthen the whole mend.

Storing Meat

Uncooked meat should be put away into the refrigerator covered only lightly with waxed paper or some similar covering. Other foods stored in the refrigerator should be removed from paper coverings, which only act as an insulation against the cold.

Nebraska Chapter Thanks Donors

Contributions to the 1953 March of Dimes in Nebraska will reach and probably exceed \$700,000 for a new all-time record, as against a previous high of \$546,521 in 1952, it was announced today by Ted R. Hughes, of Seward, State March of Dimes Chairman. Mr. Hughes based his prediction on preliminary unaudited reports reaching him from the various counties of the state.

Half of this total will remain with Nebraska county chapters to aid local polio patients, Mr. Hughes remarked. The other half will go to continue polio research, training of professional personnel, and for emergency epidemic aid in major epidemic areas.

Mr. Hughes stated that Nebraska county chapters spent over \$677,000 in aiding local polio patients in 1952 and had to have heavy advances from National Headquarters to meet the needs.

"Every person in Nebraska who in any way helped to make the 1953 March of Dimes campaign a success should feel very proud indeed," Mr. Hughes commented. "From school kids with their pennies, nickles and dimes to the highest contributors, we say, 'Thanks for your generous help!' To those thousands of volunteers who helped in this campaign, my sincere thanks!

"While Nebraska was hit the hardest with polio in 1952, we have struck back with our dimes and dollars, demonstrating our determination to stay in the fight against this crippler until the battle is won. The rest of the nation will certainly take note of Nebraska's determination. Our citizens have every reason to enjoy that feeling that comes with a job well done."

Long Distance Service Also Moves Faster When You CALL BY NUMBER

Truckers travel faster when they know the right highways. And your long distance calls go through faster when you call by number. This faster service is possible because most telephone companies can now use the inter-connected coast-to-coast dialing system. So for better service, call by number.
