Banks, Embassadors, Bimetallism, Conquest, Public Confidence, Diplomacy, Expatriation, Filibusterism, Geographical Lines, Internal Improvements, Invasion, Letters of Marque, Non-importation, Nullification, Slave Trade, Treason, Tyranny, The Cabinet, Democratic Societies, Republicanism. JEFFERSON'S NEWEST AND BEST MONUMENT.

Editorial: The World, N. Y., Sept. 3, 1900: "Several monuments have been made to perpetuate the memory of Thomas Jefferson, but the newest and best is this Cyclopaedia. Other monuments have preserved his physical characteristics. Here we perceive his mind, his patriotic purpose, his wisdom, his liberality, his toleration, his vision of the true position of the people in states, his 'large discourses of reason,' in short, all the moral and intellectual qualities that made him great."

Price, carriage prepaid Cloth \$7.50; Sheep, \$10; Half Morocco, \$12.50; Full Morocco, \$15.00.

*I receive numerous inquiries from persons who desire to secure Jefferson's works and since the publication of the Jeffersonian Cyclopaedia I have taken pleasure in recommending it. I find it of great value and would not be without it.*

—W. J. BRYAN.

## "Tarry Thou Till I Come"

Or Salathiel, the Wandering Jew.

A HISTORICAL ROMANCE. BY GEORGE CROLY.  
Introduction by Gen. Lew Wallace.

A historical novel, dealing with the momentous events that occurred, chiefly in Palestine, from the time of the crucifixion to the destruction of Jerusalem. It reveals the struggles between the Romans and the Jews, which finally ended in the overthrow and the dispersion of the Jewish nation, picturing forth the conflict between Judaism and early Christianity. The book, as a story, is replete with Oriental charm and richness, and the character-drawing is marvelous. No other novel ever written has portrayed with such vividness the events that convulsed Rome and destroyed Jerusalem in the early days of Christianity.

Exquisitely Illustrated by  
T. de Thulstrup,

The brilliant American Artist, with a beautiful frontispiece in colors—sixteen full page drawings, and three illustrated bastard title pages—all by this famous artist.

Gen. Lew Wallace,  
Author of Ben Hurr,

—in the introduction which he wrote for this book—says: "In my judgment, the six greatest English novels are 'Ivanhoe,' 'The Last of the Barons,' 'The Tale of Two Cities,' 'Jane Eyre,' 'Hypatia,' and THIS ROMANCE OF CROLY'S. If Shakespeare had never been born; if Milton, Byron, and Tennyson were singers yet to be, and Bacon, Darwin, and Ruskin unknown; still, the six works named would of themselves suffice to constitute a British literature.

Price in Cloth, Carriage Prepaid, \$1.59.

## A HISTORY OF MONETARY SYSTEMS

IN THE VARIOUS STATES OF THE WORLD.  
FROM B. C. 369 TO DATE.

AS DRAWN FROM THEIR LAWS, TREATIES, MINT CODES, COINS, ARCHAEOLOGICAL REMAINS AND OTHER AUTHENTIC SOURCES. By ALEX. DEL MAR,

Formerly Director of the U. S. Bureau of Statistics, Mining Commissioner to the U. S. Monetary Convention of 1876, Author of "A History of the Precious Metals," etc.

SECOND EDITION, REVISED BY THE AUTHOR.

The latest information and most accurate details relating to the Monetary Systems and History of the Various States, their coins and coinages, paper systems, monetary expedients and experiments, the coinage prerogative, principles affecting money, the demonetization of silver, etc., will be found in DEL MAR'S HISTORY OF "MONETARY SYSTEMS."

### PRESS OPINIONS:

He who masters Mr. Del Mar's book will know more of monetary systems than 999 men out of a thousand.—Financial News, London, Eng.

Mr. Del Mar's book is a monument of labor and research, representing, indeed, practically the results of a lifetime of study in the history of monetary systems.—Public Opinion.

As an authority on Monetary Systems, this work deserves to rank high. It is in fact an encyclopedia on the subject, and no one who is making a study of this important matter can afford to be without it.—New York Herald.

What Webster's Dictionary is to the English language, Del Mar's History of Monetary Systems is to finance. It is a record so complete that its presence on the library shelf will greatly lighten the labor of the financial student, who otherwise would be compelled to spend hours of tiresome research to ascertain facts which are plainly set forth in this work.—The Financier, New York.

Cloth, library style, complete index, 444 pages, \$2.00 prepaid.
