## Nature Studies of the Master.

In this age, when the study of nature is receiving so much attention, the teachings of Christ from the things of nature form an interesting addition to the bibliography of the subject. Both young and old will find pleasure and profit in reading this comment upon Christ's Parable's. It makes a very appropriate present for a friend. Send \$1.25 and this advertisement to

# NEWYORKITIS

DENVER—The *Republican* says:

"New York is writhing under the keen thrusts which have been given it by Dr. John H. Girdner. That is, New Yorkers are imagining that every other fellow is referred to when the doctor caustically describes the average New-yorkitic."

NEW YORK—The *World* says:

"Important contribution to medical and social science."

CHICAGO—The *Evening Post* says:

"The author discusses his theme with perfect good nature and a trim restraint throughout, and his pages are well worth study, even outside of New York."
