Forum of the Weekly Press.

Norton (Kas.) Liberator: This continual booming up prosperity is a good deal like expressing sympathy for the poor by giving three cheers for the poor.

Harrison County (O.) Democrat: Cheap wool and cheap sheep under a high tariff is a haunt to republicans. They are as low now as they ever were and a tariff of ten cents a pound on wool. Think of it.

Bellaire (O.) Democrat: The sheep industry was never in a more depressed condition than today, although the tariff and whole government machine is controlled by republicans. The public sales through the country tell the tale wherever sheep are offered.

Potosi (Mo.) Independent: The test of the democracy of a paper is the policy it pursues. When a paper wishes to repudiate the cardinal doctrines of democracy, it is in the position of the Baptist preacher who desires his church to repudiate immersion.

Carrollton (Ill.) Gazette: Senator Cullom says trusts cannot be restricted until the constitution is amended. It is strange how guarded republican statesmen are of the constitution when it comes to interfering with trusts, but when it comes to protecting privileges for the trusts it never needs amendments. No, never.

Crete (Neb.) Democrat: The national treasury is today and has been

for many years nothing but a tool in the hands of the men who manipulate the stocks and bonds in Wall street. It issues and sells bonds or buys and cancels them to suit their financial interests. It sells bonds at a small premium and buys them at a big premium that they may profit thereby.

Tampa (Fla.) Herald: You remember that Kansas was recently redeemed from populist rule, and not a few southern papers joined in the fanfare of trumpets with which the event was greeted. The blessings of that redemption are rapidly becoming visible. One of them is that the republican state treasurer is now stamping all state warrants presented to him, "Not paid for want of funds." Oh, yes, it is a great benefit to a state to be redeemed by the republicans. It immediately establishes a large line of credit.

Brazil (Ind.) Orthonomic Era: We want to say here and now that the Kansas City platform is the only Jeffersonian and Jacksonian platform that has been adopted by a democratic convention in fifty years. The democracy of 1904, will be found defending the Jeffersonian principles in that platform, with Jacksonian courage. The Orthonomic Era will be found then, where it has been for 29 years, contending for the democracy asserted in the Sermon on the Mount and reaffirmed by Jefferson in the Declaration of Independence.

Aberdeen (Wash.) Herald: The system that puts the making of the money of the people into the hands of private corporations is undemocratic and dangerous. It is a system against which the democratic party has always set its face, and which has been denounced and protested against from the days of Jefferson until the present day. It is a system which requires a public debt as a basis, a debt that the democratic party has always held is a calamity and curse, a perpetual blight upon honest industry and productive labor.

Coldwater (Mich.) Star: The sincerity of the republican (trust) party in its intercampaign declarations in favor of repealing tariffs that protect trusts, and of encouraging our international trade through reciprocity treaties, is further shown by the fact that in Massachusetts, while the democrats have indorsed the position of McKinley in his Buffalo speech upon this question the republicans have declared against any change in the tariff. It is easy to see why the late president never carried out in practice the policies he advocated and doubtless believed in as right.

Aberdeen (Wash.) Herald: The republican press seems exceedingly anxious to have the democratic party renounce its anti-imperialistic fight and in the name of expediency acquiesce in the policy of the administration. There is a tendency on the part of some of the enemy to contort the democratic contention into an unmeaning contempt for expansion. The democracy has always favored expansion—the expansion of American institutions with all that that implies. When Cuba expresses an uncoerced desire for annexation the democracy will welcome her into the sisterhood of American states. Now that we are responsible for Porto Rico, the democracy would grant her all her rights and privileges under the constitution. But the democratic party would not

If You are Sick

Let me Know it.

I wish simply your name and address—no money. Tell me which of these six books you want.

I will send with it an order on your druggist to let you have 6 bottles Dr. Shoop's Restorative. He will let you take it for a month; then if it succeeds, he will charge you \$5.50 for it. If it fails, he will send the bill to me. He will trust to your honesty, leaving the decision to you.

Such an offer as this could not be made on any other remedy. It would bankrupt the physician who tried it. But in five years I have supplied my Restorative on these terms to 550,000 people. My records show that 39 out of each 40 paid for it, because they were cured.

This remedy alone strengthens those inside nerves that operate all vital organs. It brings back the only power that can make each organ do its duty. No matter how difficult the case, it will permanently cure, unless some organic trouble like cancer makes a cure impossible.

I have spent my lifetime in preparing this remedy. I offer now to pay for all you take if it fails. I cannot better show my faith in it. Won't you merely write a postal to learn if I can help you?

Simply state which book you want, and address Dr. Shoop, Box 515, Racine, Wis.

Hog Cholera

The recent test conducted by some of the head officials of the State Grange of Ohio has proven beyond a doubt that the Hog Cholera remedy discovered by Dr. J. H. Snoddy is a real success. The test was made by treating over a dozen diseased herds. The disease was promptly stopped and the hogs restored to health in each case. A book, "Treatise on Hogs," with report of the test will be sent free to those sending their name and address to Dr. J. H. Snoddy, Alton, Ill. This test report comes from such a reliable source that every farmer can have confidence in it and all should write for these free books.

PARALYSIS AND COFFEE

Symptoms Disappear When Drug is Abandoned

"Tea and coffee were forbidden by my physician, for I had symptoms of paralysis and it was plain that the coffee was the cause of the trouble. I began using Postum Food Coffee and am now a steady advertisement for Postum. The old symptoms of paralysis disappeared in a very brief time after I began the use of Postum and quit the use of coffee. Do not use my name publicly, if you please." —Morrow, O. The above name can be given by the Postum Cereal Co., Ltd., Battle Creek, Mich.

Coffee is such a direct poison to the nerve centers of many highly organized people that it produces all sorts of disorders from stomach and bowel troubles, palpitation of the heart, kidney troubles, etc., etc., up to more intricate nervous diseases, such as paralysis. The way to keep well is to leave off coffee or any nerve destroyer of that sort, and use Postum Food Coffee, which is a direct builder of the nerve centers. Sure and well defined improvement in health will follow this course, as can be proven by any person who will make the trial.

The fact that in the last eight years over one hundred doctors have put themselves under this mild treatment shows their confidence in the new method of treating these horrible diseases. Persons afflicted will do well to send for free book giving particulars and prices of Oils. Address DR. D. M. BYE CO., Box 325, Indianapolis, Ind.

PERSONAL TO SUBSCRIBERS.

We will send to every subscriber or reader of THE COMMONER a full-size ONE-DOLLAR package of VITE-ORE, sufficient for one month's treatment, to be paid for within one month's time after receipt, if the receiver can truthfully say that its use has done him or her more good than all the drugs and dopes of quacks or good doctors or patent medicines he or she has ever used. READ this over again carefully, and understand that we ask our pay only when it has done you good, and not before. We take all the risk; you have nothing to lose. If it does not benefit you, you pay us nothing. VITE-ORE is a natural, hard, adamantine rock-like substance—mineral—ORE—mined from the ground like gold and silver, requires about twenty years for oxidation. It contains free iron, free sulphur and magnesium, and one package will equal in medicinal strength and curative value 800 gallons of the most powerful, efficacious mineral water, drunk fresh at the springs. It is a geological discovery, to which there is nothing added or taken from. It is the marvel of the century for curing such diseases as Rheumatism, Bright's Disease, Blood Poisoning, Heart Trouble, Diphtheria, Catarrh and Throat Affections, Liver, Kidney and Bladder Ailments, Stomach and Female Disorders, La Grippe, Malarial Fever, Nervous Prostration and General Debility, as thousands testify, and as no one, answering this, writing for a package, will deny after using.

This offer will challenge the attention and consideration, and afterward the gratitude of every living person who desires better health, or who suffers from the ailments which have defied the medical world and grown worse with age. We care not for your skepticism, but ask only your investigation, and at our expense, regardless of what life you have, by sending us for a package. You must not write on a postal card. In answer to this, address THEO. NOEL CO., 527, 529, 531 W. North Ave., Chicago, Ill.
