

# PERSONAL TO SUBSCRIBERS

... AND OF INTEREST TO EVERY READER ...

WE WILL SEND to every subscriber or reader of The Commoner a full-sized ONE DOLLAR package of VITÆ-ORE, sufficient for one month's treatment, to be paid for within one month's time after receipt, if the receiver can truthfully say that its use has done him or her more good than all the drugs and dopes of quacks or good doctors or patent medicines he or she has ever used. READ this over carefully, and understand that we ask our pay only when it has done you good, and not before. We take all the risk; you have nothing to lose. If it does not benefit you, you pay us nothing. VITÆ-ORE is a natural, hard, adamantite rock-like substance—mine ral-ORE—mined from the ground like gold and silver and requires about twenty years for oxidization. It contains free iron, free sulphur and magnesium, and one package will equal in medicinal strength and curative value 800 gallons of the most powerful, efficacious mineral water, drunk fresh at the springs. It is a geological discovery, to which there is nothing added or taken from. It is the marvel of the century, as thousands testify, and as no one, answering this, writing for a package, will deny after using.

It has cured more chronic, obstinate, pronounced incurable cases than any other known medicine, and will reach every case with a more rapid and powerful curative action than any medicine combination of medicine or doctor's prescription which it is possible to procure.

This offer will challenge the attention and consideration, and afterward the gratitude of every living person who desires better health, or who suffers pains, ills and diseases which have defied the medical world and grown worse with age. We care not for your skepticism, but ask only your investigation, and at our expense, regardless of what ills you have, by sending to us for a package. You must not write on a postal card. In answer to this address THEO. NOEL COMPANY, Chicago.

**THE IDEAL Germ Destroyer, Disease Banisher, Blood Vitalizer, Pain Eradicator, Health and Strength Restorer.**

**YOUR DOCTOR** may tell you that your case is incurable, that medical science is unable to help you, that all you can expect is temporary or slight relief. Well, let him think so. He is certainly entitled to his opinion. You need not think so unless you wish to.

Many people whose testimony appears in the books and pamphlets of Theo. Noel & Co. were told that their cases were hopeless, impossible, incurable, past all recovery yet—read their testimony. Many were told that they had but a few short years—some but months—to live, yet—read their testimony. There are more things in HEAVEN and EARTH than are dreamed of in the Doctor's philosophy, and Vitæ-Ore is one of them.

VITÆ-ORE will do the same for you as it has for hundreds of the readers of this paper, if you will but give it a trial, which none should hesitate to do on this liberal offer. Send for a \$1.00 Package at our risk. You have nothing to lose if the medicine does not benefit you. We want no one's money whom Vitæ-Ore cannot benefit. Can anything be more fair? One package is usually sufficient to cure ordinary cases; two or three for chronic, obstinate cases. We have not asked to be editorially endorsed by the management of this paper, but mean just what we say in the above announcement and will do just as we agree. Write today for a package at our risk and expense, giving your age and ailments, so that we may give you special directions for treatment if same be necessary, and mention this paper so we may know that you are entitled to this liberal offer. MANY READERS of The Commoner, have taken advantage of this liberal offer we make to subscribers and their families since they first saw our announcement in this paper, and as a result are now happily and permanently cured of their ailments; and those who have not accepted it should do so immediately, as no one should or need continue to suffer when the means for a CURE is offered on these liberal conditions. Vitæ-Ore has been on the market for almost two decades, and is too well and favorably known to need to be offered in this way, which is not done with any other medicines, but we have confidence in the readers of The Commoner, and know that they will pay if benefited and have confidence in our medicine and know it will benefit and cure, so make this offer for a limited time only to gain new friends and patrons among The Commoner readers, knowing that each person we benefit means a dozen new patrons through his or her recommendations.

The following endorsements from clergymen of all denominations will preach a far more forcible sermon regarding this remedy than anything we could say:

ELLZEY, MISS.—I have been afflicted with Nervous Prostration, Liver and Kidney Trouble for about sixteen years and Piles for twenty years, so bad that I had to give up my church work. After using Vitæ-Ore for four days my Piles disappeared and the bleeding ceased. I continued its use about four months and today my Nervous Prostration, Kidney and Liver Trouble are all gone, and there has not been a day since that the Piles have prevented me from riding horseback. I owe all this to Vitæ-Ore.—Rev. T. H. Smith.

ALEXANDRIA, IND.—I have used Vitæ-Ore with satisfactory results; also know a number of people who derived great benefit from its use. I cheerfully recommend it to the afflicted.—Rev. S. C. HUMMEL, Pastor Christian Church.

HOPE WIS.—I have been using Vitæ-Ore for some time. It is working remarkably well and I am feeling stronger than ever. Up to this time I have been doctoring with a renowned specialist and have spent much money but it seems that your medicine must be given first place.—Rev. J. WOLF.

NEW WINDSOR, ILL.—I have been using a package of Vitæ-Ore with considerable profit to myself and am well satisfied with the improvement of my health. You certainly have a very valuable medicine in your V.-O. Tonic. I wish all weak men and women could be brought to know of its value to them as a restorer.—ROYAL J. KELLOGG, Congregational Minister.

HOLTON, KAS.—For three or four months before using Vitæ-Ore I suffered constantly with severe pains through the main part of my body and small of my back so that I could not turn in bed without first sitting up, which I believe was caused by Kidney and Liver Trouble. A few days after I began using Vitæ-Ore those pains all left and have not returned. I was also troubled with extreme drowsiness as night came on, and Bowel Trouble, which Vitæ-Ore entirely removed. It is a splendid remedy to build up and give new energy and life to the human body. I shall ever speak a good word for Vitæ-Ore.—Rev. M. T. HOUGH.

HIGHSHIRE, PA.—Having been broken down in health and unable to attend to my duties Vitæ-Ore was recommended to me, and after taking it as per directions for one week I was enabled to continue my work preaching for three weeks, and made during the day many pastoral calls, for which I give V.-O. the credit. It has helped me many times since. I therefore, recommend it to others as a valuable medicine.—A. L. SHANNON, Pastor Highshire U. B. Church

MARYSVILLE, CALIF.—I have used Vitæ-Ore for ten years and believe it to be the grandest curative for human beings that can be found. I hope that all sufferers will use it and give it a fair test and am satisfied that they will find it as I and thousands of others have, a God-sent remedy.—Rev. DR. H. E. HOWLAND.

RUSTON, LA.—I have taken your Vitæ-Ore and find that it has done me more good than anything I have ever taken for Liver or Kidney trouble.—Rev. C. H. WILSON.

VIRGINIA CITY, VA.—I am an Evangelist Preacher. Three months ago my doctors said I could not live, but the Lord has raised me from death to the Pulpit through the use of Vitæ-Ore.—Rev. B. T. MOODY.

BUTLER, IND.—I would be ungrateful indeed were I to remain silent concerning the great benefit I have received from the use of Vitæ-Ore. The relief derived from your remedy is incalculable. It has been a greater benefit to me than any other I have ever used. Vitæ-Ore prevents hoarseness and sore throat and I would not think of going into a protracted meeting of many weeks duration without first laying in a supply. I cheerfully and heartily recommend it to all, feeling that it will be a God-send to those who use it.—THEO. F. FRECH, A. M. D. D.

## As a BEACON LIGHT
