The Weekly Press Forum

Emporia (Kas.) Times: The reorganizers are to hold another harmony dinner in New York. Republicans masquerading as democrats have much difficulty in convincing democratic democrats that they are any better, if as good as genuine republicans.

Orangeburg (S. C.) Times: By the way, has it ever occurred to you that we have brought the Philippine insurrection to an end almost as many times as Spain did? In truth, there are several points of similarity in Spain's methods of warfare and our own, be it said with shame.

Mount Morris (Ill.) Democrat: It has been a long time since \$500,000 was given Mr. Knox to use in prosecuting trusts. They haven't suffered any yet. But if it is necessary for campaign purposes he will get another injunction against one trust; that is, he will get the court to tell it again to stop violating the law.

Nevada (Mo.) Mail: In his speech before the Iroquois club at Chicago Monday night Congressman DeArmond stated a great living truth when he declared that the democratic party should nominate a man for the presidency in 1904 who was true to the party ticket in 1896 and 1900. It would be worse than folly to do otherwise, with even a thought of success at the polls.

Darlington (Wis.) Democrat: The pretense that the trusts are opposed to Roosevelt has become so thin and gauzy as to excite ridicule. Many were deceived by it at first, but not now. A president who has a law ready to his hand by which he can proceed against trusts as criminals, and jail the leaders, and refuses to use this effective weapon, cannot be regarded as sincere when he poses before the country as a trust buster.

Chicago Saturday Dispatch: The Iroquois straddlers and the Tammany tuft hunters to plutocracy may give "harmony" dinners in Chicago and New York from now until November, 1904; the walking delegates of the money trust may pour oil on the troubled waters for a year and a day; Gorman may beguile and Whitney may cajole, but there can be no harmony between loyal democrats and Clevelandism. It is written.

Daytonia (Fla.) Gazette-News: A bunch of self-constituted reorganizers of the democratic party, with the erstwhile mugwump Brooklyn Eagle as their organ-in-chief, announce that the Bryan "remnant" of the party will have no voice in the next national democratic convention; also, that the real party leaders are now content with the gold standard. The "Bryan remnant?" It numbered nearly seven millions only two years ago! How it has "swunk!"

Cattaraugus (N. Y.) Union: Here's the sort of a missive that never fails to gladden the heart of the editor of the Union: Perrysburg, Jan. 10, 1903.

Editor Cattaraugus Union: I noticed your generous offer in last week's Union where you offer the Union and The Commoner for \$1.65 for a year. When you get so that you offer good straight newspapers for less than usual price you place me on the verge of stopping my subscription. No, no, Mr. Editor, I cannot accept your offer, so I enclose \$2.00, one for the Union and one for The Commoner. Last year I sent my renewal direct to The Commoner, but I think that it may help your paper by sending my renewal through you. Please send Mr. Bryan \$1.00 and state that I would not listen to club rates. Tell him I am a democrat, and he need not take the trouble to look for thumbmarks on my ballot, nor need he think I am a democrat "still, very still." Instead, I am rather noisy, if anybody

assails democracy as set forth in the Kansas City platform. The people of my town all got letters just before election stating their taxes would be next to nothing. Now they are paying higher taxes than ever. They say, as Mr. Bryan said in Salamanca in 1900, "It's tough, but we like it." Let them have it in the neck. We can stand it if they can. But some day a day of reckoning will come, and then Respectfully your friend, H. J. Colvenbach.

The cost of painting the house and barn, outbuildings and fences is a heavy burden. The following are a few of the large users of Carrara Paint: Pennsylvania R. R. Co.; Pullman Palace Car Co.; Chicago Telephone Co.; Central Union Telephone Co.; Field Museum, Chicago; Kenwood Club, Chicago; Cincinnati Southern; C. & E. I. R. R. Co.; Denver & Rio Grande R. R.; Wellington Hotel, Chicago. Carrara is used because it lasts longer, never fades, never cracks, never blisters, never peels, covers more surface than the highest priced paints and costs less than the cheap mixed paints that injure instead of protect. There is but one Carrara. It is made by the Carrara Paint Agency, General Offices, 883 Carrara Bldg. Cincinnati, Ohio, and anyone having a house to paint should send for 50 free sample colors and our handsome booklet, showing many buildings reproduced in all the colors just as they are painted from this great paint that has stood the most rigid tests for 25 years and, bear in mind, that it is the only paint ever manufactured that is backed by a positive guarantee in every case.
