

Fight Fire With Fire!

FIGHT

NATURE'S DECAY WITH NATURE'S REMEDY! Follow the example of the plainmen and use the weapons which nature has placed in your hands! You cannot sweep back the tide with a BROOM, you wouldn't try, nor should you try to resist, to sweep back disease with a bottle of alcohol and sarsaparilla or a package of senna and straw. If your house were burning, you would not fight the flames with a bottle of Eau de Cologne, and when YOUR INTERNAL HOUSE, the dwelling of your life, your vitality, is burning and being destroyed by the ravages of wasting, insidious disease, it is just as foolhardy to attempt to check the flames, to stop the destruction with a sweet-tasting, sweet-smelling pill, tablet or compound made to sell and to sell only.

Nature has provided a cure for your ills, has combined the subtle elements of IRON, SULPHUR AND MAGNESIUM, elements which are to the fires of disease in the system as is the fireman's hose to the burning building, and combined them in a manner of her own which man's inventive and creative genius has been unable to duplicate or counterfeit. She placed it in the ground where it was found, for what purpose, if not to relieve and cure the ills of mankind.

You can test it, can judge for yourself, and it will not cost you a cent to do it. It is different from all others and can be offered in a different way, a way that "sellers of medicines" dare not duplicate. If you are sick and tired of quacks, sick of dosing yourself day after day with each sunrise finding no change in your condition, if you are sick of being imposed upon, try this natural curing and healing ore. IT WILL NOT FAIL YOU! Read our special offer.

You Are to Be the Judge!

WE WILL SEND TO ALL

Subscribers or readers of The Commoner a full sized \$1.00 package of VITÆ-ORE by mail, POSTPAID, sufficient for one month's treatment, to be paid for within one-month's time after receipt, if the receiver can truthfully say that its use has done him or her more good than all the drugs and doses of quacks or good doctors or patent medicines he or she has ever used. Read this over again carefully, and understand that we ask our pay only when it has done you good, and not before. If not, no money is wanted! We take all the risk; you have nothing to lose. If it does not benefit you, you pay us nothing. We give you thirty days time to try the medicine, thirty days to see results before you need pay us a cent, and you do not pay the one cent unless you do see the results. You are to be the judge! We know Vitæ-Ore and are willing to take the risk.

Vitæ-Ore is a natural, hard, adamantite, rock-like substance—mineral—ORE—mined from the ground like gold and silver in the neighborhood of a once powerful but now extinct mineral spring. It requires twenty years of oxidation by exposure to the air, when it slacks down like lime and is then of medicinal value. It contains free iron, free sulphur, and free magnesium, three properties which are most essential for the retention of health in the human system, and one package—one ounce—of the ORE, when mixed with a quart of water, will equal in medicinal strength and curative value 800 gallons of the most powerful mineral water drunk fresh from the springs. It is a geological discovery, in which there is nothing added or taken from. It is the marvel of the century for curing such diseases as

Rheumatism, Bright's Disease, Blood Poisoning, Heart Trouble, Dropsy, Catarrh and Throat Affections, Liver, Kidney and Bladder Ailments, Stomach and Female Disorders, LaGrippe, Malarial Fever, Nervous Prostration and General Debility,

as thousands testify, and as no one, answering this, writing for a package, will deny after using. VITÆ-ORE has cured more chronic, obstinate, pronounced incurable cases, than any other known medicine, and will reach such cases with a more rapid and powerful curative action than any medicine, combination of medicines, or doctor's prescription which it is possible to procure.

Vitæ-Ore will do the same for you, as it has for hundreds of readers of THE COMMONER. If you will give it a trial. Send for a \$1.00 package at our risk. You have nothing to lose but the stamp to answer this announcement. We want no one's money whom Vitæ-Ore cannot benefit. You are to be the judge! Can anything be more fair? What sensible person, no matter how prejudiced he or she may be, who desires a cure and is willing to pay for it, would hesitate to try Vitæ-Ore on this liberal offer? One package is usually sufficient to cure ordinary cases; two or three for chronic, obstinate cases. We mean just what we say in this announcement, and will do just as we agree. Write today for a package at our risk and expense, giving age and ailments, and mention THE COMMONER, so we may know that you are entitled to this liberal offer.

The TEST of MERIT IS NOT IN WORDS, BUT IN RESULTS!

Rev. John Fuchs, the Well-Known Indiana Minister, Tells of Wonderfully Quick Results.—Read What He Says.

I was afflicted with Rheumatism for many years, the attacks being especially strong during last winter. I could not sleep nights on account of the pain, which centered in my back and left leg. My nervous system was also so affected that when I shaved myself

I had to support the right hand with the left one. The doctors who treated me said they could not help me, as I was 78 years old and my system, according to them, was worn out. I doctored with so many kinds of medicine that I had a small drug store at home, but nothing helped me. I had new hopes, as summer approached, that the warm weather would bring me relief, but this hope was not gratified, as I grew no better. Then I gave up all thought of a cure, thinking that the doctors were right and that nothing could help me.

One day I read the VITÆ-ORE advertisement in our leading church paper, and sent for a package on trial as advertised. After five days I remitted the dollar for the treatment, as it had, in that short time, done me so much good that I was entirely willing to pay the money. After using two packages I was entirely cured of the Rheumatism, and my nervous system is now so wonderfully improved and strengthened that I can work with as much force and vigor as I could twenty or twenty-five years ago. VITÆ-ORE has caused an entire change in my system, seeming to make a new man of me. I wanted to wait with my report until I was fully convinced that the benefit is entire and permanent, and I write at this merely through appreciation toward God and the Theo. Noel Company, ORE medicine, as well as the advertisement in our church paper. I hope that VITÆ-ORE will continue to be a blessing to all ailing mankind.

REV. JOHN FUCHS, Terre Haute, Ind.
