Fight Fire With Fire!

## FIGHT

NATURE'S DECAY WITH NATURE'S REMEDY! Follow the example of the plainsmen and use the weapons which nature has placed in your hands! You cannot sweep back the tide with a BROOM, you would'nt try, nor should you try to resist, to sweep back disease with a bottle of vicohol and sarsaparilla or a package of senna and straw. If your house were burning, you would not fight the flames with a bottle of Eau de Cologne, and when YOUR INTERNAL HOUSE, the dwelling place of your life your vitality, is burning and being destroyed by the ravages of

wasting, insidious diseases, it is just as foolhardy to attempt to check the flames, to stop the destruction with a sweet-tasting, sweet-smelling pill, tablet or compound made to sell only.

Nature has provided a sure for your ills, has combined the subtle elements of IRON, SULPHUR AND MAGNESIUM, elements which are to the fires of disease in the system as is the fireman's hose to the burning building, and combined them in a manner of her own which man's inventive and creative genius has been unable to duplicate or counterfeit. She placed it in the ground where it was found, for what purpose, if not to relieve and cure the ills of mankind.

You can test it, can judge for yourself, and it will not cost you a cent to do it. It is different from all others and can be offered in a different way, a way that "sellers of medicines" dare not duplicate. If you are sick and tired of quacks, sick of dosing yourself day after day with each sunrise finding no change in your condition, if you are sick of being imposed upon, try this natural curing and healing ore. IT WILL NOT FAIL YOU! Read our special offer.

You Are to Be the Judge!

WE WILL SEND TO ALL

The TEST of MERIT IS NOT IN WORDS, BUT IN **RESULTS!** 

## Rev. John Fuchs, the Well-Known Indiana flinister, Tells of Wonderfully Quick Results.-Read What He Says.

I was afflicted with Rheumatism for many years, the attacks be-ing especially strong during last winter. I could not sleep nights on account of the pain, which entered in my back and left leg. My nervous system was also so affected that when I shaved myself

I had to support the right hand with the left one. The doctors who treated me said they could not help me, as I was 78 years old and my system, according to them, was worp out. I doctored with so many kinds of medicine that I hada small drug store at home, but nothing helped me. home, but nothing helped me. I had new hopes, as summer approached, that the warm weather would bring me re-lief, but this hope was not gratified, as I grew no better. Then I gave up all thought of acure, thinking that the doc-tors were dicht and that noth tors were right and that noth-ing could help me.

One day I read the VITÆ-ORE advertisement in our leading church paper, and

leading church paper, and sent for a package on trial as advertised. After five days I remitted the doitar for the treatment, as it had, in that short time, done so much good that I was entirely willing to pay the money. After using two packages I was entirely dured of the Bhoumatism, and my nervous system is now so wonderfully improved and strengthened that I can work with as much force and vigor as I could twenty or tweaty-five years ago. VITÆ-ORK has caused an entire change in my system, seeming to make a new man of me. I wanted to walt with my report until I was tully con-vinced that the benefit is cultre and permanent, and I write at this time without the least inducement from the Theo. Noel Company, merely through appreciation toward God and the wonderful VITÆ-ORE medicines as well as the advertisement in our church paper. I hope that VITÆ-ORE will continue to be a blessing to all alling man. MRY. JOHN FUCHS, Terre Haute, Ind.

Vite-Ore is a natural, hard, adamantine, rock-like substance-mineral-ORE-mined from the ground like gold and silver in the neighborhood of a once powerful but now extinct mineral spring. It requires twenty years of oxidization by exposure to the air, when it slacks down like lime and is then of medicinal value. It contains free iron, free sulphur, and free magnesium, three properties which are most essential for the retention of health in the human system, and one package -one ounce-of the ORE, when mixed with a quart of water, will equal in medicinal strength and curative value 800 gallons of the most powerful mineral water drank fresh from the springs. It is a geoligical discovery, in which there is nothing added or taken from. It is the marvel of the century for curing such discases as

Rheumatism, Bright's Disease, Blood Poisoning, Heart Trouble, Dropsy, Catarrh and Throat Affections, Liver, Kidney and Bladder Ailments, Stomach and Female Disorders, LaGrippe, Malarial Fever, Nervous Prostration and General Debility.
