

You Can See The **World's Fair** for 10 Cts.

BEVER on the alert to please our present readers, and to secure new ones, we have arranged for the special right to distribute within the field of our circulation "**The Universal Exposition Art Albums.**" The work comprises twenty albums, published weekly, and containing sixteen superb engravings, 8x10 inches, with masterful descriptions by the well-known author and lecturer, Frank G. Tyrrell. The works are printed on heavy enameled art paper, and bound in heavy gray felt covers, thus each album is a handsome art work complete in itself. This series will constitute a pictorial history of this great **Hundred Million Dollar World's Fair**, the greatest fair the world has ever known, really a world in itself, with its magnificent architecture and lagoons, its savage tribes and their customs, its wonderful vistas and waterways and **THE PIKE**—the frivolous but fascinating **PIKE** with its two miles of side shows, and a thousand other attractions; thus the albums possess a fascinating interest and educational value for every member of the family who **visits** St. Louis, and especially for those **who do not.**
