

WE WANT YOUR MONEY

BUT not until you can say "Here is the dollar. You deserve it," not until we HAVE EARNED IT, not until you are WILLING to send it to us, not until you want to send it to us, not until you are SATISFIED to pay it, not until we HAVE PROVEN TO YOU that we have what we claim, not until VITAE-ORE HAS DONE FOR YOU WHAT YOU WANT IT TO DO FOR YOU. Until then, you pay us NOTHING. After that you will be willing to pay, GLAD TO PAY, as hundreds of the readers of this paper, yea even thousands, have been willing and glad to pay. YOU ARE TO BE THE JUDGE. We leave it to you entirely for you to decide. If you can say that we, and Vitae-Ore, have earned your money, we want your money, as we say at the top, but NOT OTHERWISE. How can you refuse to give this most remarkable of all remarkable remedies—a natural, curing and healing mineral ore—a trial on the terms of such a LIBERAL OFFER? If you need medical treatment of any kind, if you are sick and ailing, if anyone in your family is ailing, poorly, worn out, sickly, it is actually a sin and a shame if you do not send for Vitae-Ore upon the terms of this thirty-day trial offer. Read the offer! Read it again and again! Send for the medicine! Do it to-day! Each day lost makes a case older, obstinate, harder, hurts you more, pains you more. We take all the risk; you have nothing to lose.

WE WILL SEND TO ALL

Subscribers or readers of The Commoner a full sized \$1.00 package of VITAE-ORE by mail, POSTPAID, sufficient for one month's treatment, to be paid for within one month's time after receipt, if the receiver can truthfully say that its use has done him or her more good than all the drugs and doses of quacks or good doctors or patent medicines he or she has ever used. Read this over again carefully, and understand that we ask our pay only when it has done you good and not before. If not no money is wanted! We take all the risk; you have nothing to lose. If it does not benefit you, you pay us nothing. We give you thirty days' time to try the medicine thirty days to see results before you need to pay us one cent, and you do not pay the one cent unless you do see the results. You are to be the judge! We know Vitae-Ore and are willing to take the risk.

Vitae-Ore is a natural, hard, adamantite, rock-like substance mineral—Ore—mined from the ground like gold and silver in the neighborhood of a once powerful, but now extinct, mineral spring. It requires twenty years for oxidation by exposure to the air, when it stacks down like lime, and is then of medicinal value. It contains free iron, free sulphur, and free magnesium, three properties which are most essential for the retention of health in the human system, and one package—one ounce—of the ORE, when mixed with a quart of water, will equal in medicinal strength and curative value 500 gallons of the most powerful mineral water drunk fresh from the springs. It is a geological discovery, in which there is nothing added or taken from it is the marvel of the century for curing disease as thousands testify, and as no one, answering this, writing for a package, will deny after using. VITAE-ORE has cured more chronic, obstinate, pronounced incurable cases than any other known medicine, and will reach such cases with a more rapid and powerful curative action than any medicine, combination of medicines, or doctors' prescriptions which it is possible to procure.

VITAE-ORE will do the same for you as it has for hundreds of readers of The Commoner, if you will give it a trial. Send for a \$1 package at our risk. You have nothing to lose; it is the stamp to answer this announcement. We want no one's money whom Vitae-Ore can not benefit. You are to be the judge! Can anything be more fair? What sensible person, no matter how prejudiced he or she may be, who desires a cure and is willing to pay for it would hesitate to try Vitae-Ore on this liberal offer? One package is usually sufficient to cure ordinary cases; two or three for chronic, obstinate cases. We mean just what we say in this announcement, and will do just as we agree. Write to-day for a package at our risk and expense, giving age and ailments, and mention The Commoner, so we may know that you are entitled to this liberal offer.

FEELS FIFTEEN YEARS YOUNGER
ALL SUFFERING AND PAIN THINGS OF THE PAST.

I had Neuralgia of the Heart and Systematic Catarrh for years, and Kidney Trouble, Soreness of the Breast and Lungs and constant soreness in the stomach for fifteen years. I was afflicted with a cough on lying down at night and suffered pain occasionally throughout my entire system. I also had spells of Paralysis and numbness of the limbs, dizziness and Female Trouble. Since using Vitae-Ore I can walk as far as any woman, can do as much work without fatigue as I did years ago, and can truthfully say I feel fifteen years younger as all pain and suffering is a thing of the past. I was treated by doctors and two scientists, but only received temporary relief from them. Vitae-Ore has accomplished all these wonders for me.

Mrs. SALLIE E. HUDSON, Dresden, Tenn.

AFFLICTED FOR 12 YEARS.

Only Required One Week's Use to Prove the Remarkable Efficacy of Vitae-Ore.

I have been afflicted for about twelve years with a serious Kidney trouble, which was at times so bad that my urine would be thick with blood and phosphate. I tried several doctors as well as every patent medicine recommended for a trouble of this nature, but found absolutely no relief. I also took treatment at different times from three well known specialists without any benefit. At last I decided to quit fooling with medicines, feeling that nothing could do me any good, and it was at this time that I read the Vitae-Ore advertisement, offering to send a package of Vitae-Ore on thirty days' trial. The offer seemed so fair that I could not do otherwise than send for a

package with at least the hope that it might be the remedy and treatment which I was looking for. It did not require more than one week's use of Vitae-Ore to make me well satisfied with it and to prove to me that it would do all that was claimed for it. I have now taken it for a period of six weeks' time and am getting better every day. I have gained over twelve pounds in weight during this time and feel as vigorous and hearty as I did twenty years ago, although I am now 64 years old. I feel as though I have a new lease on my life, and would advise and urge everyone afflicted as I was to give Vitae-Ore a fair trial. W. R. KEY, Moultrie, Ga.

WHAT CATARRH IS.

Many of the troubles and disorders which Vitae-Ore is advertised to cure may be traced to a Catarrhal condition of some part of the body. Most people connect the word Catarrh only with a disorder of the head or throat, but such inference is not correct.

Catarrh as defined by Webster, is an inflammatory affection of any mucous membrane, any condition in which there are congestion, swelling, morbid action or any alteration in the quantity and quality of mucous secreted. It can consequently be present in any part of the body where there is a mucous membrane, the head, nose, throat, stomach, intestines, bowels, bladder, kidneys and generative organs, and as a clot of dust will impair the workings of the finest watch, so a catarrhal condition of any organ will enfeeble its power, prevent the proper functional activity and capacity, and result in a complication of ills of many names and symptoms, treated in many different ways, but no cure is possible unless the Catarrhal condition, the Primary Cause is checked and removed.

To successfully treat catarrh of any part it is necessary to use medicaments which possess the power of allaying inflammation, arresting morbid action and of purifying diseased mucous.

Vitae-Ore will positively cure catarrh of any organ or part of the body, used for the different conditions in the several ways prescribed in our printed directions. It is a natural astringent, presenting qualities as such which it seems impossible to duplicate in any manufactured or artificial product and immediately allays all inflammation, stops all morbid or irregular action on the membrane, eradicates all catarrhal conditions and places each organ in a natural, normal, healthy condition, so as to faithfully perform its individual function and restores the entire system to a state of entire and perfect health.

Its actions are certain and results sure. It can be relied upon to reach every case more promptly and effectively than any treatment, combination of remedies or doctors' prescription that can be procured and cure completely as well as permanently. Patients afflicted with catarrh of any part should not delay treatment, as delay means a spread of the disease to other parts, a more aggravated condition from month to month and more difficulty in effecting a cure. Vitae-Ore has cured thousands upon thousands of cases, as the multitude of testimonials in our indexes shows, many of them in which the patient was at such a stage that hope was given up, recalling them from the shadow of the grave.
