

The Virtue

Of Liquozone is Best Told by a Test---and the Test is Free. Won't You Learn What it Means to You?

You who lack Liquozone—you don't know what you miss. And the product itself can best tell you.

We ask you again—may we buy you a bottle to try?

That one bottle will tell you more than all we could say. And when you feel the results you can neither doubt nor forget them.

Think what it means to know how to get well, or keep well! And it is so easy to know. Send us this coupon—as millions have done—and learn what this product can do.

All people need Liquozone; all can be helped by it. But you who are sick and discouraged—you need it most. And you are the ones we appeal to. Don't you realize that this product must have remarkable powers, else this offer would not be made to you.

Please let us show you what that power means to you.

What Liquozone is

The virtues of Liquozone are derived solely from gases, by a process requiring large apparatus and from 8 to 14 days' time. The complete formula is sent to each user.

The gases are vitalizing and the product they create is a tonic. The gases are germicidal, and the product that results is a powerful germicide. The object of the process is to fix the gases, and to combine them, so as to carry their virtues into the system.

This invention means simply a way to utilize gases in the treatment of germ diseases. The whole power of the product comes from gases alone. No alcohol, no narcotics, no dangerous drugs are employed in it.

The result is a product which, in some sorts of ailments, does what all other treatments have failed to accomplish.

Kills Disease Germs

The great value of Liquozone lies in the fact that it is deadly to germs, yet harmless to the human body.

In that fact lies its main distinction. Common germicides are poisons when taken internally. That is why medicine has proved so helpless in dealing with germ diseases.

It has been proved, in laboratory tests, that Liquozone kills every form of disease germ. Not a known germ can resist it. The reason is attributed to the fact that germs are vegetables. They apparently absorb this gas-made product, and the product prevents their development.

It has also been proved, by some of the world's highest authorities, that Liquozone is harmless to the bodily cells. It is not only harmless but good for you. Its effects are exhilar-

ating, vitalizing, purifying. The benefits are often apparent from the very first dose.

Liquozone has numerous virtues. One of the greatest is its remarkable effect on digestion. An English authority has written a book on this feature of Liquozone alone. But it is as a germicide, undoubtedly, that Liquozone renders its greatest service to humanity.

11,000,000 Bottles Used

More than 11,000,000 bottles of Liquozone have been used, mostly in the past two years. All over the world, it is fast coming into almost universal use.

The good it has done is immeasurable. Countless cured ones—scattered everywhere—are telling what the product has done. Almost every hamlet—every neighborhood—has living examples of its power.

And the product does nothing but good. To assure you on this point, some scientists of very high standing have authorized us to use their names on our labels.

This is the product which we ask you to try. No one can use it without being helped by it. And if it shows you a way to become perfectly well, think what it means to you.

It is wise to learn its power.

Where It Applies

Those are the diseases in which Liquozone has been most widely employed. In these diseases, more than any others, it has earned its wide reputation. Most of these troubles are known to be caused by germs.

In each of these diseases we supply the first bottle free. And in all—no matter how difficult—we offer each used a two months' further test without the risk of a penny. No one is asked to risk any money on Liquozone until he knows he is helped by it.

- Abscess—Anaemia
- Asthma
- Bronchitis
- Blood Poison
- Goitre—Gout
- Hay Fever—Influenza
- La Grippe
