

ten dollar greenbacks may be broken up into one, two and five dollar bills. It also authorizes the deposit of customs receipts in national banks as internal revenue receipts are now deposited. It raises from \$3,000,000 to \$9,000,000 the amount of national bank circulation that may be retired in any one month.

The senate passed the Daniel bill establishing "the foundation for the promotion of industrial peace." It authorizes a board of trustees to receive from President Roosevelt the "Nobel peace prize" as the nucleus of a fund to bring together at Washington representatives of capital and labor to discuss labor problems.

The expatriation bill also was passed. It authorizes the issuance of

passports to persons who have declared their intention of becoming citizens of the United States and have lived in this country three years and who wish to visit countries other than the one of which they are native.

The bill fixes the status of American women who marry foreigners and foreign women who marry Americans. In the latter case the citizenship of the wife is retained during coverture and as long as she continues to live in the United States. An American woman can regain her citizenship after her marriage to a foreigner terminates and she makes the proper application.

The bill provides that a naturalized citizen of this country who goes abroad and resides for five years shall be presumed to have abandoned his American citizenship.

The senate passed a bill granting a service pension to army nurses. Those who are disqualified to earn a livelihood and have reached the age of 62 years are to receive \$12 a month, at 70 years \$15 and 75 years \$20.

The house committee reported the Beveridge child labor bill with recommendation that it be unanimously postponed.

The senate passed the bill appropriating \$700,000 to aid the Seattle exposition.

Senator Patterson of Colorado delivered a speech in the senate in favor of government ownership of railroads.

The LaFollette bill was amended in the conference committee in several particulars. The provision relating to employes who have been on duty for sixteen hours out of twenty-four was amended so that the required eight hours off duty shall be consecutive. The provision of the bill as it came from the house relating to the number of hours of work for operators or other employes having to do with orders connected with the operation of trains was materially changed. As agreed upon such men shall not be "required or permitted to remain on duty for a longer period than twelve consecutive hours in any twenty-four hour period." This is an increase from nine hours. The provision fixing one rule for day and another for night service was eliminated. The clause in regard to prosecutions was amended so as to read: "In all prosecutions under this act the common carrier shall be deemed to have had knowledge of all acts of its officers and agents who have direction and control of employes."

James Bryce, the new ambassador from Great Britain, has arrived at the national capital.

SAUCE FOR THE GANDER

The modern wife is beginning to astonish the modern husband. A man came home at 3 a. m. He took off his shoes on the front doorstep. Then he unlocked the door and went cautiously upstairs on tip-toe, holding his breath. But light was streaming through the keyhole of the bedroom door. With a sigh he paused. Then he opened the door and entered. His wife stood by the bureau, fully dressed. "I didn't expect you'd be sitting up for me, my dear," he said. "I haven't been," she said, "I just came in myself."—New Voice.

IRISH WIT

An Irish priest had labored hard with one of his flock to induce him to give up whiskey. "I tell you, Michael," said the priest, "whiskey is your worst enemy, and you should keep as far away from it as you can." "Me enemy, is it Father?" responded Michael, "and it was Your Riverence's self that was tellin' us in the pulpit only last Sunday to love our enemies!" "So I was, Michael," rejoined the priest, "but I didn't tell you to swallow them."—Sacred Heart Review.

Why

Don't you give your heart the same chance you do the other organs?

Why? Because when any other organ is in trouble, it refuses to work, and you hasten to repair it.

The heart, the ever faithful servant, never refuses as long as it has power to move, but continues to do the best it can, getting weaker and weaker, until it is past repair, and then stops. It is just as sick as the other organs, but because it will work you let it.

However, it's not too late for a "change of heart," so remember

Dr. Miles' Heart Cure

will give your heart strength and vitality to overcome Dizziness, Palpitation, Short Breath, Faint Spells, Pains in Heart and Side, and all other Heart aches and difficulties.

"My heart would ache and palpitate terribly, and at times I could hardly breathe. Dr. Miles' Heart Cure has restored me to perfect health, and I am very grateful."

Buy a Home in Nebraska

FINE FARM LAND VERY CHEAP.

FOR SALE—A number of one-quarter, one-half and whole sections of unimproved farm land in Perkins county, Nebraska.

This land is all rich prairie land, every acre of which can be cultivated. The soil is black sandy loam and very productive.

The country is healthful, the land beautiful, and suited to diversified farming.

There are well improved farms, good neighbors, good schools, good churches, and a good town all in sight of this land.

This land is located from one to five miles from a thriving town on the Burlington railroad.

There are three other good towns in Perkins county.

45 BUSHELS OF CORN PER ACRE WAS RAISED LAST YEAR ON LAND ADJOINING THIS LAND.

50 BUSHELS OF WHEAT PER ACRE RAISED ON THE SAME KIND OF LAND IN THE SAME COUNTY IN 1906.

ALFALFA GROWS IN PROFUSION NEAR BY ON THE SAME KIND OF LAND.

For each year during the past three years the crops raised on land in Perkins county sold for more than the COST PRICE of the same land.

Farm this land one year and its present selling price would be doubled.

It is as productive as the best land in Iowa or Illinois. Sell 20 acres in those states and your money will buy a quarter section of the land I am offering for sale. Excellent water at a depth of 40 feet. No better country on earth for raising all kinds of stock.

Oats, barley, and rye are profitable crops.

Do you want a farm while this land is within your reach? Cheap farm lands will soon be a thing of the past. A quarter section of this land will make a nice nest egg. I am offering this land for less than one-fourth what the same kind of soil is selling for 50 miles distant. I can verify every statement made above. If interested call on me or write for prices and detail descriptions. As an investment or for a home it will pay you to investigate. Co-operation with other agents solicited. Address
