

REST AND RECREATION

Fun and Amusement For All—Read How You Can Always Have an Entertainment At Your Command.

We all know how necessary it is to have rest and recreation—for in order to break the monotony and drive away dull care and get the most out of life we must relax from work and forget business.

How do you enjoy yourself after the day's work is finished, the chores and odd jobs taken care of? Then you are ready for something to amuse, please and instruct as well. The old and young alike must have rest and recreation, for we know that "all work and no play makes Jack a dull boy."

Music For Your Home!

Can you imagine anything from which you could derive more real pleasure, more fun and actual rest and recreation than from a Genuine Edison Phonograph? I do not mean the old, raspy, choky, scratchy kind of talking machine so commonly heard, but a Genuine Edison—the very latest improved Outfit No. 5 that reproduces to perfect exactness the finest music in the world.

Just think of having in your own home such a marvelous instrument—an entertainer always at your command, one that needs no coaxing, never tires and never disappoints. At any time during the day or the long evenings you can sit on your own porch or in your own parlor and listen to the sweet voice of some world-famed singer—a song sung by a voice so beautiful and brilliant that thousands have sat in rapt wonderment drinking in the very sweetness of the song.

Minstrel Shows and Opera!

And that is not all; the greatest bands and orchestras of the world will play for you—waltzes, marches, two-steps, overtures, concert pieces, all the old master classics as well as the latest minstrel shows and comic opera music. The very same minstrels that amuse packed houses in the large cities night after night will make you laugh at their comic songs and funny jokes.

A Concert at Any Time.

You and your family, your friends and neighbors can have a concert, musicals, dance or song as often and as much as you like. You can sit in your own parlor or on your own porch and listen to a program like this:

- 883—"Feast of Lantern Overture".....Orchestra

The New Parlor Grand Outfit No. 5

is so far superior to the ordinary talking machines that there is simply no comparison.

Even the old Edison Outfit No. 5, the peer of all outfits, is now eclipsed. This New No. 5 is equipped with a brand new style **Floral Horn**, a type of horn that is now being produced for the first time. It is a much larger horn than that used on the old outfit No. 5; it is the most handsome horn ever put out, being hand decorated with beautiful flowers in many tasty colors. But the real reason we chose this extra large Floral shaped horn is because of its acoustic properties; the reproduction of sound from this horn is simply perfect, giving the largest possible volume, the finest tonal shading, every instrument of a brass band, every whisper of a recitation being given full value in the most natural manner conceivable.

Among other exclusive features this **New Style Outfit No. 5** is equipped with: (1) Connecto. (2) An automatic stop. (3) An automatic brush. (4) A tone modifier. (5) Various equipments and extras not given heretofore with any phonograph outfit, all extras the value and importance of which you will quickly appreciate when you get the new Parlor Grand on free trial. The modifier, with which you can in an instant increase or decrease the volume of sound, itself makes this machine worth much more than any other outfit. All the superior points of this new Parlor Grand No. 5 Outfit are explained in the Edison books which are sent you free on request. Sign the coupon and get the Edison books, free prepaid.
