

FROM EVERY SECTION OF THE COUNTRY

From every section of the country recruits for the Commoner's Million Army are coming. Not in recent years have democrats displayed such enthusiasm and confidence as are now evidenced in the messages coming to The Commoner from every state in the union. Have you enlisted in this army? If not do so without further delay.

Cut out, sign and return the certificate printed on this page for your own membership. Or if you do not care to mutilate your copy of The Commoner send in a request asking for a number of blank certificates and they will be forwarded to you, thus enabling you to give your acquaintances an opportunity to join in the work of building up the "army of a million plan" and enabling them also to secure The Commoner from now until November 1908 for only sixty cents.
