

The most gentle of Nature's laxatives put into candy form. That's Cascarets. Made to be taken in dainty doses, when you don't feel at your best.

A cure for the blues—for the grouch—for bad temper—Cascarets.

For the cause of most of these troubles lies in the bowels. A Cascaret tonight means a cheery day tomorrow. Six bright days for ten cents. Are they worth it?

Don't think of Cascarets as a physic. They are candy tablets, as good as they are gentle.

Their effect is the same as the effect of some foods. They stimulate the bowels to natural action.

Those who have learned what is best carry a box in the pocket. They take one as soon as they need it.

Don't have a bowel wash-day. Don't take physics in large doses and rarely.

You wash your face at the first sign of uncleanness. Why not be as clean with your bowels?

You know by the symptoms when your bowels need help. One Cascaret right then puts a stop to them.

You can just as well avoid these little ills—just as well keep at your best.

Cascarets are candy tablets. They are sold by all druggists, but never in bulk. Be sure you get the genuine, with CCC on every tablet. The price is 50c, 25c and

The interest and enthusiasm manifested by all present at the organization of the club was very encouraging. After more fully organizing, we will extend the club to all departments of the university. As students we would like to suggest to the men in all colleges and universities to unite with their fellow students in their endeavors to promote the interests of the common people's party. In doing this we can be a great force in the coming campaign. Thousands of us will proudly cast our first votes this year, and we should see them cast right. Not only should we aid the cause by our ballots and those of our fellow students, but, since college men are generally leaders among their associates, we should do much good during the summer vacation. And, too, as those who are now acquiring an education will be leaders in every walk of life, it is especially necessary for the future of the party to endow them with the

spirit of democracy. By the encouragement we have received, we think this would be a great move. As we wish to secure a number of subscriptions to The Commoner, please send us about fifty coupons and some sample copies of your paper.

HUMOROUS CHINESE GRAFT

A certain Chinese taotai (magistrate) having told his men to have two ingots of gold sent to his treasury for purchase the shopmen brought them in, and in answer to the query of the taotai, told him that the price was so much in taels, but added: "This is the ordinary price, but for your honor we will knock off one-half of the price." Then the taotai said to his underlings: "Seeing that they are to sell to me at only half price, just give them back one ingot of gold and put the other in my treasury, and thus their account is settled. Good-by." So the underlings of the yamen did so, but still the shopmen hung around waiting. The taotai asked them why they were waiting, when their account had been already settled. Said the shopmen: "When did your honor pay your humble servants?" Then the magistrate answered with a very fierce air: "Tiao Nu Ts'ai!" (impertinent slaves). "Did you not say that these two gold ingots were half price to me? Then did I not give you back one ingot and keep the other and thus settle your account without the least injustice according to your own proposition? So be off with you, or my lictors will give you a taste of the scourge!"—Harper's Weekly.

WHAT MONEY SAYS
