

Pushing The Commoner's "Million Army" Plan

If you have not joined The Commoner's Million Army do so without further delay. Ask your neighbor to help in the good work—that is if he approves The Commoner's efforts. Returns are coming in at a gratifying rate but the field is large and there is work for every one to do.

Cut out, sign and return the certificate printed on this page for your own membership. Or if you do not care to mutilate your copy of The Commoner send in a request asking for a number of blank certificates and they will be forwarded to you, thus enabling you to give your acquaintances an opportunity to join in the work of building up the "army of a million plan" and enabling them also to secure The Commoner from now until November, 1908, for only sixty cents.

It is not possible to print in full the letters received at The Commoner office and relating to the Million Army plan, but extracts from some of them are given below:

W. L. Sorrells, Holly Springs, Ark.—Please find postoffice money order for \$3 for five subscriptions to The Commoner. Please send me some certificates and I will try to get some more subscribers. I wish The Commoner great success in teaching the people true democracy.

J. H. Kinsey, Roberts, Wis.—Enclosed find twelve certificates of membership and money order to cover same. Please send me some more certificates.

C. E. Bauman, Calhoun, Ill.—If you will send me a few membership certificates I will distribute them to parties I think will be interested.

B. F. Tucker, Altamont, Ill.—Please find enclosed money order for \$3.60 for six membership certificates. You may send me more of your membership blanks as I think I can secure several more subscribers for The Commoner.

J. E. Thompson, Clarksville, Tenn.—Enclosed you will find money order for 60 cents. Please send me about six certificates as I think I can get up several subscriptions for you. Wish you success.

James McMehen, Walnut Grove, Mo.—Please send me twelve or fifteen million army certificates and I will have them filled out.

E. H. Repp, Rochester, N. Y.—Will do as I have always done in the past, be an ardent advocate of The Commoner and its principles. Send me five or ten certificates.

M. H. Ward, Cedar Rapids, Neb.—Please send me a few membership blanks.

A. T. Herrick, Bradford, Pa.—Enclosed please find \$1.80 for three membership certificates. Please send me twelve one million army membership certificates.

J. C. Zane, Independence, Mo.—Please send five certificates as I know of a few who want to do what they can for the cause.

C. L. Middlebrooks, Bell Mills, Ala.—Please send me ten certificates and I will try and get some subscribers for your paper.

E. H. Williams, Canton, O.—Enclosed find four names and money order for \$2.40 as payment. Please send a few membership certificates and I will get more names if I can.

J. Q. Wrenn, Placerville, Cal.—Enclosed find money order for \$40.80 in full payment for sixty-eight subscriptions at club rates; twenty-eight of this number were procured by Mr. D. B. Mason and forty by myself.

G. W. Karnes, Plevna, Kan.—I was over to one of my neighbors and he gave me one of your papers to read and I was so well pleased with the sentiment of your paper that I thought I would write you for some sample copies of your paper and some of your blank certificates. I will try and get members for the army of a million.

J. V. Stockes, Gnadenhutton, O.—Enclosed find postoffice order for \$1.80. Please send more certificates.

I. C. McClintock, Horton, Kan.—Please send me ten of those membership certificates. I wish to make a few of my republican friends a present of a year's subscription to The Commoner. I have already a few of such readers and they are now with us in the faith and will vote for W. J. Bryan for president this election. In fact I have never in my life (in the forty years that I have been voting the democratic ticket) seen a better chance to elect a democrat to the presidential chair. Our opponents freely admit that we will elect our man this

year, but there is work for every democrat to do.

S. H. Ford, Telford, Tenn.—Enclosed herewith please find 60 cents for The Commoner. I live in upper East Tennessee, a regular hot-bed of republican standpatters, where but a short while ago it was almost considered by them a crime to vote the democratic ticket. Some of them have commenced to think for themselves. I am just in from a trip through Georgia, Florida and North Carolina. I find that W. J. Bryan is gaining strength and favor every day. Those who are wise enough to know and honest enough to acknowledge that the republican party is responsible for every panic with which the American people have been cursed are desirous of a change of some kind, knowing that it can't be made worse, even if the devil himself were elected and inaugurated. I am glad that I have an opportunity to join the million army. I shall use my every effort and influence for the great cause of the serfs and slaves of America.

W. G. VanKuren, Roulette, Pa.—Enclosed please find money order for \$1.80 for three subscriptions to The Commoner. Kindly send me some more blanks and I will see what I can do.

A. H. Holloway, Bucklin, Kan.—Please find postoffice money order for \$1.80 and certificates enclosed. Think I could get a few more if I had the certificates.
