

Placing The Commoner in Every Voting Precinct

Through The Commoner's million army plan it is hoped to circulate this publication in every precinct in every state in the union. To this end The Commoner will be sent to those who take advantage of this plan for 60 cents from now until after the November election.

Cut out, sign and return the certificate printed on this page for your own membership. Or if you do not care to mutilate your copy of The Commoner send in a request asking for a number of blank certificates and they will be forwarded to you, thus enabling you to give your acquaintances an opportunity to join in the work of building up the "army of a million plan" and enabling them also to secure The Commoner from now until November, 1908, for only sixty cents.

It is not possible to print in full the letters received at The Commoner office and relating to the Million Army plan, but extracts from some of them are given below:

G. H. Bolin, Ethel, W. Va.—You will find enclosed \$3.00 to pay for five subscriptions. I have always tried to send you five names each year since I became a subscriber and have succeeded so far. Please send me some more certificates.

J. P. Hickey, Green Bay, Wis.—Enclosed find postoffice money order for 60 cents for The Commoner. Please send more certificates.

John Rigley, Genoa, Wis.—I have disposed of two of your one million membership certificates for The Commoner army of 1908 and think I could dispose of about a dozen more if I had them. Please send me about a dozen at once.

Bryant Cash, Bluejacket, Okla.—Please find enclosed money order for \$1.80 for which send The Commoner to the enclosed named persons. If you will send me blanks I will try to extend the subscription as much as possible.

W. T. Caldwell, Conowingo, Md.—Enclosed find postoffice money order for 60 cents for which please send me The Commoner. Kindly send me a few membership certificates as I think I can get a few new subscribers to The Commoner. Wish The Commoner success in the ensuing campaign.

Benjamin F. Krider, Churubusco, Ind. Enclosed find 60 cents and membership certificate. Please send me twelve blank certificates.

E. P. Madden, Mena, Ark.—Find enclosed \$2.40 for four enlistments in the army. Send me some more certificates.

M. C. Felker, Chamberlain, S. D.—I have signed the certificate you sent me and return the same. I have taken The Commoner from its first issue and have got it in book form, besides getting many republicans to subscribe for it and I am pleased to inform you that those who have taken it and read it are now strong Bryan men. I will do all I can to see that a man is nominated at Denver who represents democratic principles. If the party at Denver makes the mistake they did in 1904 we will experience the same results we did then. The "interests" are now trying to get a man they can handle in their own interest. The rank and file want Mr. Bryan and he will carry this state as he did in 1896. I am anxious to get such men in our state convention who will instruct the delegates at Denver to vote for Mr. Bryan first, last and all the time.
