

From Now Until the Close of the Campaign--45 Cents

The Commoner will be sent to any one applying for it, from now until the close of the 1908 campaign, for 45 cents. It is hoped that through the million army plan, The Commoner may be placed in every precinct in every state in the union.

Cut out, sign and return the certificate printed on this page for your own membership. Or if you do not care to mutilate your copy of The Commoner send in a request asking for a number of blank certificates and they will be forwarded to you, thus enabling you to give your acquaintances an opportunity to join in the work of building up the "army of a million plan" and enabling them also to secure The Commoner from now until November, 1908, for only forty-five cents.

It is not possible to print in full the letters received at The Commoner office and relating to the Million Army plan, but extracts from some of them are given below:

Hiram Pettey, Stewartville, Minn.—Send me twenty-one million army certificates. I will try and get them filled out. I have been a reader of The Commoner since its first issue, have labored all these years practically alone and in the dark but now I feel well repaid as I see the dawn of democracy breaking. We can easily give battle and rout an open enemy, but the traitors within our own party, of which my state has the chief one just now, are our greatest foes. In spite of all this we hope to send a Bryan delegation to Denver and have a splendid organization working for that result. Our motto is "Put none but the faithful on guard."

Wm. C. Hafkey, Grinnell, Ia.—Please find enclosed \$1.20 for which send The Commoner to the following subscribers. Please send me some blanks as I could not find any.

Ed Bilyen, Curran, Ill.—Enclosed please find \$1.90 in payment of three membership certificates. Please send me some more certificates.

R. M. Ray, New Castle, Pa.—Please send copy of The Commoner to the following address. Please send me ten certificates and I will send you in subscribers for same.

Michael T. Lane, Glencoe, Ill.—Another recruit for the million army. Enclosed find 60 cents for The Commoner to be sent to the following address. Send me a few subscription blanks.

I. L. Hubbell, Belding, Mich.—Kindly forward me twenty-five certificates for subscriptions to The Commoner. I hope to be able to get a nice number of subscriptions for your paper in this locality.

M. R. Collins, Douglas, Wyo.—Enclosed find draft for \$1.80 for three subscriptions to The Commoner. I turned over the blanks you enclosed to the "Douglas Pusher for the Million Army," Mr. E. W. Madison, who returned them properly filled out in a few minutes. He wants twenty-five more enlistment blanks.

D. A. Lewis, Eldorado, Ill.—Please send The Commoner to parties whose names appear on certificates. Please send me a few more certificates.

J. J. McLeod, McLeod, N. D.—Please send a bunch of certificates. Will do my best to add a few more to the great army. I enclose three subscriptions and \$1.80 to pay for same.

W. A. Robinson, Hodgenville, Ky.—Please find enclosed check for \$6.60 for eleven subscriptions. Please send me some of your subscription certificates.
