

Never again such a book bargain as this!

The New Americanized Encyclopedia Britannica

Withdrawn from the American Market on account of complication regarding copyright, this Famous Work of Reference is now offered for the last time. Never again will it be possible to procure a set. Publication has ceased for all time. Entire publishers' stock now on hand to be cleared with the utmost rapidity at less than *One-half the Prices* at which 250,000 sets have been sold. A sale to mark an epoch in book history. An event without example.

A GREAT HOME REFERENCE LIBRARY

There is nothing in the whole range of literature with which to compare it. What Shakespeare is to the drama, Milton to poetry, Riddpath to history, Blackstone to law, Napoleon to rulers, the New Americanized Britannica is to works of reference. It sweeps the whole circle of human interest and endeavor. It correctly answers all questions. What the Britannica says is universally regarded beyond dispute — History, Biography, Literature, Art, Science, Invention, Politics, Geography, Governments, Law, Medicine, Theology, Labor Organizations, New Discoveries and thousands of subjects are all treated in their right place and in due proportion.
