"AN AMERICAN COMMONER"

"The Life and Times of Richard Parks Bland" is a study of the last quarter of the Nineteenth Century, as it explains the first ten years of the Twentieth Century.

If you wish to understand the United States this year, read this book. It was written from the papers of Richard Parks Bland, with Personal Reminiscences by Mrs. Bland and with an Introduction by William Jennings Bryan. The Editor, William Vincent Byars, included in it as an appendix, the great speeches in which Mr. Bland outlined the course of events. The 400 pages of the work show that as the champion of American Democracy, Mr. Bland's knowledge is now more essential than that of any one else for understanding.

WHAT IT IS MOST ESSENTIAL TO KNOW ABOUT THE PRESENT The work is sold exclusively for the benefit of Mr. Bland's widow, Mrs. Virginia E. Bland, of Lebanon, Missouri.
