In the trial of Frank J. Gardner, on the charge of attempting to bribe Congressman Foelker, of Brooklyn, while Gardner and Foelker were both members of the New York state senate in 1908, Robert H. Elder, an assistant district attorney in Brooklyn, testified that Gardner had told him that a fund of nearly \$500,000 was raised to defeat pending anti-racing legislation and that later, a Mr. Tyrrell had stated to him that Foelker got \$15,000. He said Gardner also told him of a meeting at Delmonico's of men who were interested in racing, and mentioned James R. Keene, Gene Wood, Harry Payne Whitney, Charles H. Hyde, city chamberlain, and Mr. Parsons as being present. It was decided to send Gardner along with Hyde to Albany to handle the money, Elder testified Gardner told him. Continuing, Mr. Elder said: "Gardner said Senator McCarren got sore be-

cause he couldn't handle the money. Of the total amount raised \$125,000, he said, went to Jim Gaffney, a New York contractor, to handle the Tammany men, and he afterward learned that Tom Grady got \$4,000. I asked him how much there was in the fund—whether it was \$300,000 or more—and he replied that \$500,000 would be nearer the mark. The reason he was selected to go along with Hyde, he said, was because he knew the ropes at Albany, was better than Hyde at lobbying and also was a member of the senate." Elder then repeated his Merritt investigation testimony about Gardner going to Albany with Hyde and distributing the "boodle fund."

Quick Relief From Catarrh

A Simple, Safe, Reliable Way, and it Costs Nothing to Try

Those who suffer from catarrh know its miseries. There is no need of this suffering. You can get rid of it by a simple, safe, inexpensive, home treatment discovered by Dr. Blosser, who, for over thirty-six years, has been treating catarrh successfully.

His treatment is unlike any other. It is not a spray, douche, salve, cream, or inhaler, but is a more direct and thorough treatment than any of these. It cleans out the head, nose, throat and lungs so that you can again breathe freely and sleep without that stopped-up feeling that all catarrh sufferers have. It heals the diseased mucous membranes and arrests the foul discharge, so that you will not be constantly blowing your nose and spitting, and at the same time it does not poison the system and ruin the stomach, as internal medicines do.

If you want to test this treatment without cost, send your address to Dr. J. W. Blosser, 144 Walton Street, Atlanta, Ga., and he will send you by return mail enough of the medicine to satisfy you that it is all he claims for it as a remedy for catarrh, catarrhal headaches, catarrhal deafness, asthma, bronchitis, colds and all catarrhal complications. He will also send you free an illustrated booklet. Write him immediately.
