How to Stop Pimples

In Five Days You Can Get Rid of all Skin Eruptions by the New Calcium Sulphide Wafers

Trial Package to Prove It Sent Free

Any man or woman gets awfully tired going around with a pimply face day after day. And other people get awfully tired, too, seeing them go around with faces full of disgusting pimples.

If you are one of the unfortunates who can't get away from your pimples, and you have tried almost everything under heaven to get rid of them, take a few of Stuart's Calcium Wafers every day. Do that steadily for a few days, and in less than a week look at yourself in the mirror.

You will then say that Stuart's Calcium Wafers are a wonder in getting rid of the eruptions.

These wonderful little workers contain the most effective blood purifier ever discovered, calcium sulphide.

No matter what your trouble is, whether pimples, blotches, blackheads, rash, tetter, eczema or scabby crusts, you can solemnly depend upon Stuart's Calcium Wafers as never-failing.

Stuart's Calcium Wafers have cured boils in three days and the worst cases of skin diseases in a week. Every particle of impurity is driven out of your system completely, never to return, and it is done without deranging your system in the slightest.

Most treatments for the blood and for skin eruptions are miserably slow in their results, and besides, many of them are poisonous. Stuart's Calcium Wafers contain no poison or drug of any kind; they are absolutely harmless, and yet do work which cannot fail to surprise you.

Don't go around with a humiliating, disgusting mass of pimples and blackheads on your face. A face covered over with these disgusting things makes people turn away from you, and breeds failure in your life work. Stop it. Read what an Iowa man said when he woke up one morning and found he had a new face:

"By George, I never saw anything like it. There I've been for three years trying to get rid of pimples and blackheads, and I guess I used everything under the sun. I used your Calcium Wafers for just seven days. This morning every blessed pimple is gone and I can't find a blackhead. I could write you a volume of thanks, I am so grateful to you."

Just send us your name and address in full today, and we will send you a trial package of Stuart's Calcium Wafers, free to test. After you have tried the sample and been convinced that all we say is true, you will go to your nearest druggist and get a 50c box and be cured of your facial trouble. They are in tablet form and no trouble whatever to take. You go about your work as usual, and there you are,—cured and happy.

Send us your name and address today and we will at once send you by mail a sample package free. Address F. A. Stuart Co., 175 Stuart Bldg., Marshall, Mich.

Smile

When you think life's not worth while, Sit straight up and force a smile. Smile, and shake your fist at fate—Hit the line; don't hesitate. Smile and say, "World, how'd'ya do; Here's a-looking straight at you!" Shake yourself and force a smile. You'll see clear sky after while.

When you meet a brother, smile; Grasp his hand, walk double file. Smile, and say, "Hello, old chum; Cheer up; Don't be sad and glum!" Smile, and every time you do It pays interest to you. Waste of time salt tears to shed—Smile, and keep on straight ahead.

In the crowded market place—Keep a glad smile on your face. Frown, and you give birth to doubt—Next thing you'll be down and out. Smile, and say, "Things coming fine—Only car load lots in mine!" Waste of time to sigh and sob—Smile, and stick tight to the job.

Usual Excuse

Violently the delegation protested against the vote of the senator from Sagebrush.

"You told us, sir, that the platform of your party was exactly right," shouted the spokesman, "and that part of it which you have repudiated you wrote with your own hand in order that the wishes of the people might be expressed with due emphasis!"

"Quite true, I did," replied the Senator from Sagebrush.

"And you told us that you would stand upon that platform!"

"Gentlemen, I call your attention to the fact that I did stand upon that platform until I was able to reach my present office. Everywhere you will notice signs telling us of the danger of standing upon platforms, therefore I stepped inside as quickly as possible.

With this the committee was forced to be content.

The Senator from Sagebrush understood, of course, that by the time the date for re-election rolled around the people would have forgotten the little episode.

The Office Boy Remarks

De guy wo't pays starvation wages t' goils may t'ink he is gittin' rich, but he'd better not congratulate himself till God balances de books f'r him.

Ma says dat de problem of properly raisin' chil'run would be solved quicker if dere was some way o' fixin' it so's fathers an' mothers wouldn't have to wolk such long hours dat de kids is left t' grow up by demselves.

De boss advises me not t' watch de clock, but I notus dat he takes a peek at it every mornin' when I come in if he happens t' git dere foist.

I know I've done a good day's wolk if I feel like whistling myself when de office whistle blows.

Mother's prayers helped a lot last summer when father busted his leg, but us kids got our eats from de union dad pays dues to.

I never notused no one hesitatin' t' take any money because my han's happened t' be doity.

Great Relief

A letter mailed seventy-two years ago has just been delivered at

Yonkers, N. Y.—Chicago Daily Socialist.

If that is the address on the one wife gave us to mail we feel greatly relieved.

Talking Shop

The retired gambler looked up from his paper long enough to remark:

"I judge by this wedding announcement that the Gould family is drawing to a royal flush."

"It's a long shot to draw four to a knave," remarked the would-be sport on the other side of the car.

Discovered

"I've often heard of 'the wheels of justice,'" remarked the unsuccessful litigant.

"However," he remarked after a painful pause, "it strikes me that the term is not well taken. I move to amend by changing it to 'the steam rollers of justice.'"

Preferred

"I would like to insure your life," said the agent.

"I am looking for some way of insuring my living," replied Job Hunter, who had been out of work for weeks.

Epitaph

"What shall I carve upon your stone,"

The sculptor asked; "to know I must."

The senator in strident tone Said "Carve 'Was Faithful to His Trust.'"

Brain Leaks

Call no man friend who condones your faults.

Charity is something more than mere giving.

Heaven's gates are not opened with a latchkey.

The man who has nothing but dollars is a mighty poor man.

Misery loves company, and seldom has difficulty in finding it.

Ever seen a man who needed a time clock to tell him when to quit work?

Drowning men grasp at straws, but more straws are grasped by thirsty men.

Lots of men leave their work at the office but carry the worry home with them.

Men who try to skip life's hard places seldom land in anything better than a muddy place.

The fellows who lack push are always complaining about the other fellow having a pull.

A great many men who start off hot-foot after business congeal below the ankles before they catch it.

Every time we see a married woman fondling a poodle-dog, we congratulate the child that might have been.

Our idea of heaven suits us, but we'll not refuse to remain if we find that it is what the other man thought it was.

The garden that the average city man is making these February days would furnish green goods for the nation if made three or four months later.

Mighty bright fellow who said that he knows a man who flipped a dollar to see what party he would affiliate with, and became a republican because the "trust" side of the dollar came up.
