

# Smoke of Herbs Cures Catarrh

A Simple, Safe, Reliable Way and It Costs Nothing to Try

This preparation of herbs, leaves, flowers and berries (containing no tobacco or habit-forming drugs) is either smoked in an ordinary clean pipe or smoking tube, and by drawing the medicated smoke into the mouth and inhaling into the lungs or sending it out through the nostrils in a perfectly natural way, the worst case of Catarrh can be eradicated.

It is not unpleasant to use, and at the same time it is entirely harmless, and can be used by man, woman or child.

Just as Catarrh is contracted by breathing cold or dust and germ-laden air, just so this balmy anti-septic smoking remedy goes to all the affected parts of the air passages of the head, nose, throat and lungs. It can readily be seen why the ordinary treatments, such as sprays, ointments, salves, liquid or tablet medicines fail—they do not and can not reach all the affected parts.

If you have catarrh of the nose, throat or lungs, choking, stopped-up feeling, colds, catarrhal headaches; if you are given to hawking and spitting, this simple but scientific treatment should cure you.

An illustrated book which goes thoroughly into the whole question of the cause, cure and prevention of catarrh will, upon request, be sent you by Dr. J. W. Blosser, 144 Walton street, Atlanta, Ga.

He will, also, mail you five days' free treatment. You will at once see that it is a wonderful remedy, and as it only costs one dollar for the regular treatment, it is within the reach of everyone. It is not necessary to send any money—simply send your name and address and the booklet and free trial package will be mailed you immediately.

A Chicago dispatch, carried by the United Press follows: Wealthy Chicagoans, of social standing, are the patrons; the low-paid girls are the victims, and the white slave traffic the beneficiary of a score of luxurious "apartments" in Chicago—links in the system of white slave traffic. This is but a little of the story told to the Illinois senate committee, headed by Lieutenant Governor Barret O'Hara, that is probing the white slave evil. Miss Belle Buselle, Massachusetts, who came to Chicago twelve years ago, told it. She named one of these "apartments." Four state senators listened intently while Miss Muselle told of young girls' struggles to make a livelihood. She told how she had shadowed young girls who were learning their "first lessons on the street;" how she had made rounds of dance halls, how she had brought cadets into court only to have the cases thrown out on technical grounds, and finally how she had kept girls at her own home, in an effort to bring about their reform.
