

These Eight Choice, Hardy, Everblooming Roses

Without Cost to Commoner Readers

To every reader of The Commoner who loves beautiful flowers, we want to deliver this entire collection of eight Choice Hardy Everblooming Rose Bushes, positively without cost and prepaid. Each is of a different color and variety and with ordinary care, will bloom the first season planted. They are the kind that bloom every month of the growing season, producing great masses of large, beautiful flowers, exquisite in form, color and delicious perfume. They are strong, healthy plants, guaranteed to reach you in healthy growing condition; special printed directions on their planting and care is enclosed with each collection. Unless you request immediate delivery when ordering, the rose bushes will not be sent until proper time to plant in your locality. Extreme early or late spring would vary this five to ten days, so do not be alarmed if plants are not received the first warm days. Don't miss this splendid opportunity to have Eight of the finest Roses grown, blooming in your garden this summer. Read our generous offer send your order today.

A Description of This Fine Collection

Helen Gould—Most valuable and satisfactory red rose for general planting. Vigorous, sturdy grower and profuse bloomer. Large warm rosy crimson flowers, beautifully shaded.

Kaiserin Augusta Victoria—A crowning masterpiece and hailed by flower-lovers everywhere as the greatest rose creation of very hardy and rapid, vigorous grower, with great loads of rich, creamy, fragrant white, slightly lemon-tinted flowers; a color effect exquisitely beautiful.

Etoile De Lyon—In color, a deep golden yellow, marvelously rich and pure, with exquisite fragrance. Very hardy and lusty in growth and blooms all the time.

Maman Cachet—A rose to excite the admiration of everyone. Fine outdoor rose, very hardy and rapid, vigorous grower, blooms all the time, producing immense elegantly formed flowers of a magnificent silvery pink.

Gruss an Teplitz—For intense and dazzling color, there is no other Rose to compare with

it. A strong, sturdy grower, entirely hardy and free bloomer. Flowers are large and handsome; color fiery crimson shaded with a dark velvety sheen, a combination found in no other rose. Fragrance is unexcelled.

Maiden's Blush—An indispensable rose for bedding or decorative purposes. Immense double flowers are produced all through the growing season; color pale blush and creamy white.

Md. Abel Chatenay—This splendid rose is one of the very best of its color—rosy carmine with darker shade. Full, deep, double flowers are borne in great profusion and the bush is a rapid compact grower, perfectly hardy. An ideal garden rose in every way.

Everblooming Crimson Rambler—The new production that everyone raves over, a real Everblooming Rambler. Plant grows rapidly, making shoots from eight to ten feet during the season and covers itself with bright green glossy foliage. Bright crimson flowers in great clusters are produced the entire season.
