

# ECZEMA

Also called Tetter, Salt Rheum, Proctitis, Milk Crust, Water, Poison, Weeping Skin, etc.

I believe eczema can be cured to stay. I mean just what I say. O-U-R-E-D and NOT merely patched up to return again. Remember, I make this statement after handling nearly a half million cases of eczema and devoting 12 years of my life to its treatment. I don't care what all you have used nor how many doctors have told you that you could not be cured, all I ask is just a chance to prove my claims. If you write me TODAY, I will send you a FREE TRIAL of mild, soothing, guaranteed treatment that will surely convince you at it has me. If you are disgusted and discouraged, I dare you to give me a chance to prove my claims. By writing me today I believe you will enjoy more real comfort than you really thought this world held for you. Just try it, and I feel sure you will agree with me.

# Cured His Rupture

I was badly ruptured while lifting a trunk several years ago. Doctors said my only hope of cure was an operation. Trusses did me no good. Finally I got hold of something that quickly and completely cured me. Years have passed and the rupture has never returned, although I am doing hard work as a carpenter. There was no operation, no lost time, no trouble. I have nothing to sell, but will give full information about how you may find a complete cure without operation, if you write to me, Eugene M. Pullen, Carpenter, 88 G Marcellus Avenue, Manassas, N. J. Better cut out this notice and show it to any others who are ruptured—you may save a life or at least stop the misery of rupture and the worry and danger of an operation.

# Rheumatism

A Remarkable Home Treatment Given by One Who Had It

In the Spring of 1893 I was attacked by Muscular and Inflammatory Rheumatism. I suffered as only those who have it know, for over three years. I tried remedy after remedy, and doctor after doctor, but such relief as I received was only temporary. Finally, I found a remedy that cured me completely, and it has never returned. I have given it to a number who were terribly afflicted and even bedridden with rheumatism, some of them 70 to 80 years old, and results were the same as in my own case.

I want every sufferer from any form of rheumatic trouble to try this marvelous healing power. Don't send a cent; simply mail your name and address and I will send it free to try. After you have used it and it has proven itself to be that long-looked-for means of getting rid of your rheumatism, you may send the price of it, one dollar, but understand, I do not want your money unless you are perfectly satisfied to send it. Isn't that fair? Why suffer any longer when relief is thus offered you free. Don't delay. Write today.

# Liquor Forces Organizing for Fight

A Chicago dispatch, dated Aug. 30, says: Organized liquor interests in the United States have set out to elect Governor Cox of Ohio president, and are raising campaign funds for the purpose. Will Hays, chairman of the Republican national committee, charged today before the United States Senate sub-committee investigating campaign expenditures.

Hays read into the records a letter written by George T. Carroll, president of the New Jersey Federation of Liquor Interests, under date of July 22, 1920, asking for a contribution to help elect Cox and to keep the Anti-saloon league out of power.

The letter called Cox's nomination a "great victory for us."

The letter addressed to Cadian Brothers, said: "The organized liquor trade of New Jersey has set out to do its part toward the election of James M. Cox as the next president of the United States and it becomes my duty to call upon you to help. More than that, we are going to fight as we never fought before, to keep a hireling of the Anti-saloon league out of office.

The nomination of Governor Cox of Ohio for the presidency by the Democrats is a big victory for our interests and it can be attributed in a great degree to the activities of our trade organizations in New Jersey and throughout the nation. Governor Cox is a pronounced wet and he can be relied upon to approve an amendment to the Volstead act. And it is now up to our trade organizations to stand unitedly back of the ticket of Cox and Roosevelt to roll up such a majority as will show convincingly that the public will is in our favor.

"This is going to be the greatest political fight in the history of the United States. Money must be had immediately if we are to maintain our headquarters and continue the propaganda that is necessary in the drive to win public opinion."

Hays also produced what he said was an acknowledgement by I. N. Heller of Newark, secretary of the New Jersey Federation of Liquor Interests, of a contribution of \$125, to the Democratic campaign fund.

Heller and Carroll immediately were subpoenaed by the committee.

Annually use these tablets of organic iron—Nuxated Iron—to build up red blood, strength and endurance.

Dr. H. B. Vail, formerly Physician in the Baltimore Hospital and 2 Medical Examiner says: "There are thousands whose bodies are ageing and breaking down at a time when they should be enjoying that perfect health which carries defiance to disease simply because they are not awake to the condition of their blood. By allowing it to remain thin, pale and watery, they are not giving the natural life forces of the body a chance to do their work. Iron is red blood food and in my experience I have found no better means for building the red blood corpuscles and helping to give increased power to the blood than organic iron—Nuxated Iron." Nuxated Iron comes in tablet form only and does not contain any ordinary metallic iron but only the finest quality of predigested organic iron which is easily assimilated by the blood.
