ECZEMA

Also called Tetter, Salt Rheum, Pruritus, Milk Crust, Water, Poison, Weeping Skin, etc.

I believe eczema can be cured to stay. I mean just what I say C-U-R-E-D and NOT merely patched up to return again. Remember, I make this statement after handling nearly a half million cases of eczema and devoting 12 years of my life to its treatment. I don't care what all you have used nor how many doctors have told you that you could not be cured, all I ask is just a chance to prove my claims. If you write me TODAY, I will send you a FREE TRIAL of mild, soothing, guaranteed treatment that will surely convince you at it has me. If you are disgusted and discouraged, I dare you to give me a chance to prove my claims. By writing me today I believe you will enjoy more real comfort than you really thought this world held for you. Just try it, and I feel sure you will agree with me.

Cured His Rupture

I was badly ruptured while lifting a trunk several years ago. Doctors said my only hope of cure was an operation. Trusses did me no good. Finally I got hold of something that quickly and completely cured me. Years have passed and the rupture has never returned, although I am doing hard work as a carpenter. There was no operation, no lost time, no trouble. I have nothing to sell, but will give full information about how you may find a complete cure without operation, if you write to me, Eugene M. Pullen, Carpenter, 88 G Marcellus Avenue, Manassas, N. J. Better cut out this notice and show it to any others who are ruptured—you may save a life or at least stop the misery of rupture and the worry and danger of an operation.

THE DRY DEATH

In your editorial of yesterday on "Bible Wine," you assert that there is but one word for wine in the Bible. In the Old Testament there are three Hebrew words that make distinction in the quality of wine. A curse is always pronounced upon the fermented wine and a blessing upon the non-intoxicating. In the New Testament Greek there is but one word for wine. The presumption is in favor of it being applied to the nonintoxicating drink and not to that that always had a curse upon it. Aside from all of this and granting that you could be right as touching the attitude of Jesus and Paul toward intoxicating drink in their day, prohibition rests upon a higher principle than you seem able to grasp. Slavery was once upheld by argument deduced from the Bible as you now try to uphold the liquor traffic. Jesus nor Paul never made direct attack upon slavery, but the principle involved in the "Golden Rule," "Love thy neighbor as thyself," "Love worketh no ill to his neighbor; therefore love is the fulfilling of the law," was applied, and it was prohibited, abolished. Paul stood on the principle: "Wherefore, if meat maketh my brother to offend, I will eat no flesh while the world standeth, lest I make my brother to offend." When any institution is found to be a curse to weak men, helpless women and children, the home, church, state and society, it falls under the condemnation and judgment of this higher principle that is the very essence of Christianity and the gospel. What Jesus and Paul would say and go now in the question of prohibition is revealed in the spirit and sentiment of the men and women who have made our nation dry. Avarice and appetite can never make a case for "John Barley-corn," nor 2.75 per cent beer, with Jesus and Paul as their chief witnesses and final authority. It is pitiful to see you dying so hard, Mr. Editor.—Morse H. Markley, in St. Louis Post-Dispatch.

PREACHER ATTACKS COX

The following press dispatch from Rockford, Ill., under date of October 1, is taken from the Omaha World-Herald:

"Politics were injected very forcibly into the session of the Rock River conference of the Methodist Episcopal church when Dr. Clarence True Wilson, general secretary of the national board of temperance, prohibition and public morals, spoke upon 'The Present Situation,' discussing prohibition, Americanization, the Bible in public schools, protection of Americans engaged in outlawed business in foreign countries and gambling crusades.

"Governor Cox is loose, low and liquid," he said, "the champion of the liquor interests, the advocate of the laxist enforcement regime that Ohio has ever known." Dr. Wilson also accredited the democratic candidate with responsibility for the prize fighting wave that is spreading all over the country.

"Many objections were raised by the delegates to Dr. Wilson's partisan statements. He stated that Harding was the last republican he wanted for a candidate but with Harding 90 per cent dry and with Cox 100 per cent wet, I have no choice in the matter and you ministers should not have a doubt how to vote or inform your congregations which is the right side."

"William J. Bryan will make the sixth floor of the new national headquarters building of the Methodist Episcopal church his Washington home, Dr. Wilson announced."

Nuxated Iron Will Increase Strength of Delicate People In Two Weeks Time

In many instances says City Physician persons have suffered for years without knowing what made them feel tired, listless and run-down when their real trouble was lack of iron in the blood—how to tell.

If you were to make an actual blood test on all people who are ill you would probably be greatly astonished at the exceedingly large number who lack iron and who are ill for no other reason than the lack of iron. The moment iron is supplied a multitude of dangerous symptoms disappear. Without iron the blood at once loses the power to change food into living tissue and therefore nothing you eat does you good; you don't get the strength out of it. Your food merely passes through your system like corn through a mill with the rollers so wide apart that the mill can't grind. As a result of this continuous blood and nerve starvation, people become generally weakened, nervous and all run down and frequently develop all sorts of conditions. One is too thin; another is burdened with unhealthy fat; some are so weak they can hardly walk; some think they have dyspepsia, kidney or liver trouble; some can't sleep at night, others are sleepy and tired all day; some fussy and irritable; some skinny and bloodless but all lack physical power and endurance. In such cases, it is worse than foolishness to take stimulating medicines or narcotic drugs, which only whip up your flagging vital powers for the moment, maybe at the expense of your life later on. No matter what any one tells you, if you are not strong and

well you owe it to yourself to make the following test: See how long you can work or how far you can walk without becoming tired. Next take two five-grain tablets of ordinary Nuxated Iron three times per day after meals for two weeks. Then test your strength again and see for yourself how much you have gained. You can talk as you please about all the wonders wrought by new remedies, but when you come down to hard facts there is nothing like good old iron to put color in your cheeks and good sound, healthy flesh on your bones. It is also a great nerve and stomach strengthener and one of the best blood builders in the world. The only trouble was that the old forms of inorganic iron like tincture of iron, iron acetate, etc., often ruined people's teeth, upset their stomachs and were not assimilated and for these reasons they frequently did more harm than good. But with the discovery of the newer forms of organic iron all this has been overcome. Nuxated Iron, for example, is pleasant to take, does not injure the teeth and is almost immediately beneficial.

Manufacturers' Note: Nuxated Iron which is recommended above is not a secret remedy but one which is well known to druggists everywhere. Unlike the older inorganic products it is easily assimilated, and does not injure the teeth, make them black, nor upset the stomach. The manufacturers guarantee successful and entirely satisfactory results to every purchaser or they will refund your money. It is dispensed by all good druggists.
