

**SPENCER SAYS JUDGE KENYON BRINGS DISGRACE ON BENCH**

A special dispatch to Globe-Democrat, under Washington date of March 2, says: Selden P. Spencer, junior Senator from Missouri and chief defender of Truman H. Newberry in the Senate, issued a statement today charging former Senator Kenyon, now Federal Judge of the Eighth Judicial Circuit, with having "insulted the Senate" and "disgraced the bench."

Charges that Kenyon is trying to become "a second Judge Landis of the Federal bench," were made by friends of Senator Newberry in reply to Kenyon's speech before students of the University of Missouri, in which he referred to Newberry as "a traitor, worse than Judas Iscariot."

**SPENCER'S STATEMENT**

Senator Spencer of Missouri, who handled the Newberry case in the Senate, in his statement said:

I cannot believe that Judge Kenyon has descended at the beginning of his judicial career to such venom-

ous villification as he is reported to have used before the students at the State University, in his recent address in which he is said to have declared that Senator Newberry is a traitor worse than Judas Iscariot.

Such language dishonors the man who used it and brings disgrace upon the bench which we had all hoped he would adorn. No one knows better than Judge Kenyon the high Christian, patriotic character of Senator Newberry. No one ought to be better able as a judge to recognize the fact that the only question in connection with Senator Newberry's seat in the Senate was the large amount of money which citizens of Michigan and friends of Senator Newberry spent for publicity in order that the people of Michigan might know the truth and the danger about Henry Ford, who was the Senator's opponent.

**INSULT TO THE SENATE**

No corruption or bribery or fraud existed, and all the time Senator Newberry was away from home and in the United States Navy. The people of Michigan knew all the facts, and, knowing them, voted by a large majority for Newberry.

The Supreme Court of the United States branded the attempt to dishonor Senator Newberry by his indictment and conviction as it deserved. The Senate of the United States repudiated the unfounded and malicious charges against him. It is inconceivable that Judge Kenyon should seek at the beginning of his judicial career to insult the Senate of the United States by the inference that it had intentionally seated a traitor and to bring dishonor on the President, whose open indignation at the malicious propaganda against Newberry and whose earnest hope that Newberry might be seated was well known.

I sincerely hope that Judge Kenyon, for whom I have the warmest friendship and highest esteem, has been misquoted.

One of the leaders in the Senate exclaimed in his indignation: "Kenyon ought to be impeached. Having secured the position he wants, he insults the Senate of the United States by his inference that they seated a traitor and he seeks to dishonor the President from whose hands he received his appointment, because he knows well enough how sincerely and openly the President repressed his condemnation of the malicious and unfounded propaganda against Senator Newberry and his earnest hope that Senator Newberry would be seated."

**Weigh Yourself, Then Take Genuine Yeast Vitamine Tablets—and watch the results!**

**ONE DOLLAR PACKAGE ABSOLUTELY FREE**, as explained below, to readers of this paper, for the next five days, to prove to you what they will do.

We want to prove to you the difference between taking yeast vitamine tablets mixed with drugs and Genuine Yeast Vitamine Tablets, absolutely pure and unadulterated.

Investigations of the Medical Research Committee would seem to show that no matter what quantity of food may be taken if such food is deficient in vitamins you gradually lose flesh and become thin and weakened, while a much smaller quantity of food, rich in Vitamines, quickly produces good firm flesh and increases weight, strength and energy, provided your blood contains a sufficient quantity of oxygenated organic iron to enable you to assimilate your food properly. Without organic iron, both food and Vitamines are absolutely useless. Organic iron takes up oxygen from your lungs. This oxygenated organic iron unites with your digested food as it is absorbed into your blood, like fire unites with coal or wood, and by so doing it creates tremendous power and energy. Without organic iron in your blood your food merely passes through your body without doing you any good.

For centuries scientists tried in vain to produce organic iron. At last the problem was solved so that you may now obtain pure organic iron from any druggist under the name of "Nuxated Iron."

It has been arranged to give to every purchaser of Nuxated Iron, who wishes to put on flesh or increase weight, a large regular \$1.00 package of Genuine Yeast Vitamine Tablets, absolutely free.

**DO NOT TAKE VITAMINES UNLESS YOU WISH SOMETHING TO HELP INCREASE YOUR WEIGHT** up to what a person should normally weigh. If you merely desire greater physical and mental vigor, strength and endurance, we recommend that you take Nuxated Iron only. It is often remarkable what an astonishing difference it makes in a person's appearance to round out face and figure with a few pounds of good firm flesh and it is often equally surprising what a tremendous amount of "pep," vigor, force and energy a little more oxygenated organic iron will give a person whose blood is deficient in this magic-like substance. Over four million people are using Nuxated Iron annually, their experience proving that it in-

creases strength and endurance of weak, nervous, run down people in many cases within two weeks' time. If you want that force, stamina and strength so necessary to success and power in every walk of life, you owe it to yourself to try Nuxated Iron today. **Rheumatism**

A Remarkable Home Treatment Given by One Who Had It

In the year of 1893 I was attacked by Muscular and Sub-Acute Rheumatism. I suffered as only those who are thus afflicted know for over three years. I tried remedy after remedy, but such relief as I obtained was only temporary. Finally, I found a treatment that cured me completely and such a pitiful condition has never returned. I have given it to a number who were terribly afflicted, even bedridden, some of them seventy to eighty years old, and the results were the same as in my own case.

I want every sufferer from any form of muscular and sub-acute (swelling at the joints) rheumatism, to try the great value of my improved "Home Treatment" for its remarkable healing power. Don't send a cent; simply mail your name and address, and I will send it free to try. After you have used it, and it has proven itself to be that long-looked for means of getting rid of such forms of rheumatism, you may send the price of it, One Dollar, but understand I do not want your money unless you are perfectly satisfied to send it. Isn't that fair? Why suffer any longer, when relief is thus offered you free. Don't delay. Write today.

was aggrieved, he said, that anyone should be able to point to Democracy's leaders as involved in an opposition to world peace, which the pact is expected to bring about.

It is just about as improbable that Mr. Bryan will abandon politics as that the men of his party in congress will ever be able to see beyond the partisanship that enfolds them, leading them into positions that the country expects them to embrace, from habit if from no other influence. But they cannot get away from Bryan—he knows how to entice them back into the fold.

"You shall not press down upon the brow of labor this crown of thorns; you shall not crucify mankind upon a cross of gold," were the silvered words of the Commoner in 1896, before a convention that had hardly ever heard of him before. It swept the emotionalists off their feet and the man from Nebraska carried off the nomination. From that day to the present he has been a powerful factor in the councils of Democracy, and is today so powerful that the obstructionists in congress will either heed him or take the consequences. For let no one deceive himself—Bryan more than any other living Democrat could if he would break the party of Jefferson in twain.—San Jose, Calif., Mercury.
