**LADY RHONDDA WINS SEAT AMONG LORDS**

By Associated Press, London, March 2.—The petition of Lady Rhondda to sit in the House of Lords was granted by the committee on privileges of the House of Lords today. If she takes the seat awarded her by this ruling, she will be the first woman to sit in the upper house of the British Parliament, as Lady Astor was in the lower chamber.

Lady Rhondda is the daughter of Viscount Rhondda, Great Britain's wartime food controller, who died in 1918 from an illness brought on by overwork. His only child was a daughter, the wife of Sir Humphrey Mackworth.

After Lady Rhondda's right to the present title was established her counsel argued that the sex disqualification removal act clearly applied to a case like the present, and that the disability existing in the past now being removed, Lady Rhondda, was entitled to sit in the House of Lords.

After further argument, the Attorney General, on behalf of the Crown, said he raised no objection to the petition, which was therefore granted.

Interviewed after the decision, Lady Rhondda expressed her delight that the case had gone in her favor.

**BRAZIL CENTENNIAL EXPOSITION**

The President of Brazil has instructed Senhor Sebastiao Sampaio, Commercial Attache and Consul Premierio Classe for the Republica, to visit all parts of the United States and meet with commercial organization and business people, in order that he may be able to inform himself and his Government as to the commercial development.

This official visit by Senhor Sampaio will give our people an opportunity to show the friendly spirit which exists here toward Brazil. At the same time, business men will be able to learn much about the opportunities for mutual trade between the two republics. Senhor Sampaio is a distinguished journalist in his own country and a charming speaker in English.

The proposed participation in the Brazil Centennial Exposition by the United States gives our Commission an opportunity to cooperate with the Brazil representative in this tour of the country, and in this we will have the endorsement and help of the U. S. Department of Commerce and the U. S. Chamber of Commerce. As Deputy Commissioner General in charge of the work of the Commission at Washington, Frank A. Harrison of Nebraska will accompany Senhor Sampaio an help him to meet as many of the commercial organizations and people as possible. From time to time other Government representatives will join us for a part of the schedule.

**PROHIBITION IMPROVES HEALTH**

"While an atmosphere of pessimism still hovers over certain groups and sections, the country as a whole has passed a searching examination at the hands of the life insurance companies, and is declared to be entitled to a policy of good physical and economic health."

This is the foreword to a pamphlet "Some Statistical Reflections on the State of the Nation in 1921," issued by the Association of Life Insurance Presidents. The pamphlet sets forth the combined results of four surveys which show that the people of the United States had in 1921 the healthiest year of their existence; that they bought \$8,500,000,000 of new life insurance, and that the proportion of accumulated borrowing on policies is well below the high level of 1914, while the assets held as reserves to mature policies have made substantial growth.—N. Y. Herald.

**In His Image**

By William Jennings Bryan

This volume, which will be issued in March by Fleming H. Revell Company, publishers, will contain the nine lectures delivered by Mr. Bryan at the Union Theological Seminary, Richmond, Virginia, last October under the following titles:

- First: In the Beginning, God.
- Second: The Bible.
- Third: What Think Ye of Christ?
- Fourth: The Origin of Man.
- Fifth: The Larger Life.
- Sixth: The Value of a Soul.
- Seventh: Three Priceless Gifts.
- Eighth: "His Government and Peace."
- Ninth: The Spoken Word.

These lectures cover the fundamentals of the Christian faith and present from the standpoint of a layman Christianity's appeal to the average man, special attention being given to students.

**What Is A Christian College?**

A Christian college is one which stands for and maintains the fundamentals of the Christian religion

**What Are Some of These Fundamentals**

It is a fundamental of the Christian faith that the Bible is the true and everlasting Word of God. Without the Bible we should not know anything about the Lord Jesus Christ. We should not know anything about the plan of salvation. We should not in religious faith be superior to the savages of Africa, or those of China, India, and the islands of the sea.

IT IS A FUNDAMENTAL of the Christian faith that Jesus Christ revealed in the Bible is God manifest in the flesh. He himself said the one who has seen me, has seen the Father. He said that before Abraham was born He existed. He claimed power to heal the sick, to raise the dead, and to forgive sin. These acts are the acts of deity, not man.

IT IS A FUNDAMENTAL of the Christian faith that the only remedy for sin is the sacrifice made by Jesus Christ. Without the shedding of blood there is no remission of sin and it is impossible for the blood of bull and goats to take away sin, but Jesus Christ died on the cross for the sin of the world. Men who confess with their mouths the Lord Jesus and believe in their hearts that God has raised Him from the dead, are saved. Those who will not believe are lost.

A STANDARD AMERICAN COLLEGE is an institution which requires for admission four years of secondary work such as is done by a Standard academy or high school. Building upon this foundation a Standard American college requires at least 120 semester hours of work in mathematics, ancient and modern languages history, and chemistry, psychology, biology and such other subjects as may be prescribed.

**Wheaton College, Wheaton, Illinois**

is such an institution. It is located twenty-five miles west of Chicago. It has been doing college work of the best sort for more than sixty years. At the present time its student body is increasing because of the fact that the institution not only does excellent work in ordinary college subjects, but because it is openly avowedly, and continually pressing the fundamentals of the Christian faith on all those who are subject to its influence. Men and women who believe in the fundamentals of the Christian faith and who enjoy being associated with an institution of this kind as helpers, students, or patrons, are requested to communicate with the President, addressing him at Wheaton, Illinois. Those who desire information from friends outside the college may address the editor of The Commoner; Dr. Gray, Dean of the Moody Bible Institute; Dr. Riley, President of the Northwestern Bible Institute, Minneapolis, Minnesota; Dr. Torrey, Dean of the Los Angeles Bible Institute, Los Angeles, California.
