What busi- the first ballot for President, the vote stoodduty to perform. Let them discharge that unanimous. duty honestly, impartially and make their report. There has been more excitement in Kansas-more bloodshed and midnight assassinations, since the arrival of this Committee, than all before, and God only knows where it will end. The state of affairs in Kansas, at present, is just this: Both parties have or are king such arrangements that the actual settlers forming themselves into regular, roving, bloodthirsty bands; each determined on the expulsion of the other from the Territory. We have authentic accounts of recent acts of barbarism, ont-vieing in heatherism anything of the last century. We repeat, all this trouble is attribntabl to a few fanatics and political aspirants fortable around them, and then pay for their on both sides, who are not personally engaged land. in the difficulties,-they are off in Massachusetts or the interior of Missouri, pulling wires

IOWA LAND BILL.

Our first impression, after reading the "act making a grant of Lands to the State of Iowa, n alternate Sections, to aid in the construction f certain Railroads in said State," was, that it would have a tendency to very materially reard emnrigration to that State. All that we ave been mistaken in, is that it has operated hus, much sooner than we anticipated. A reat many have already crossed the river at is point, and settled in this town and County. lso, large numbers have crossed at Omaha nd Nebraska Cities. We learn that the numer was so great, at Omaha, that the citizens eld a public meeting to devise means to acommodate the unusual tide of emmigration; arge Hotel building, in that city.

As we understand that act and its operaions, the Land Offices are to be closed, until mmigrants, coming West, come with the ex- maha county. ectation and understanding that they prempt Lands, and pay for them at \$1,25 per
