PROSPECTS OF BROWNVILLE.

Since the commencement of cold weather our town has not improved very rapidly, but we have every assurance of the work going forward on the opening of Spring. The indiratiets for a remunerative and busy season for or mechanics are more favorable than they have ever been before since Brownville was

But a short year ago the idea of making a town at this point, was treated with indifference and the proprietors themselves almost oning many of which cannot now be bought at a thousand dollars a piece. It will be seen the idea of rearing up in the wilderness of Nebraska a flourishing city, is no onger an experiment; that the destiny of From the Law relative to Land Office business : of her most sanguine friends.
