Money's Plenty---Who Cares!

You would have thought so had you witnessed the conflagration of that cart load of Nemaha County Bank Bills in the street on Monday last. They were Get on your horse, or in your buggy, destroyed preparatory to a new issue under a new administration.

The following article was written and handed us for publication by a lady of pended, will secure a trade worth to this city. It contains some "home each of you twice that amount every thrusts"-and "food for thinkers."year! Will you attend to it before it We hope it may be "pondered well" and be the means of accomplishing the design of the fair authoress.

For the Nebraska Advertiser.

What a Lady thinks of Brownville. I have been in Brownville several WYMAN, Esq., the present Terri- weeks. A sufficient length of time, to orial Treasurer, as a candidate for re- judge of its merits and demerits, and lection. We take pleasure in plac-shall speak freely of both. I came ng his name before the voters of Ne- favorably impressed with the place, deraska. He is a man eminently qual- termined to like, and to remain. On hed for the position, and those best ac- arriving here my anticipations were minted with him, will rejoice to know more than realized, both in the town hat he consents again to come before and the surrounding country. The WE take pleasure in saying to our friends and the public in general, that our stock of Fine, houses too, are more in number and The office is not lucrative in the least; better in quality than I had expected ody wants an honest, capable man- to see; and I am pleased to see build- wholesale or retail-in full suits or single articles-

As evidence that he is such an one, think well chosen. Nature has done he might mention, that he has repeat- her part, and all that is needed to edly paid money from his own pocket make Brownville a thriving and splento meet demands when there was not a did town, is energy, industry and per- buy for themselves or others, are especially solicited. It will not be difficult to give references when required severence on the part of her citizens.

These three qualities must be enforced, or the place will not thrive .-They no doubt exist among the peothat tone-teaths of all the arable land ple, but I fear they lie dormant with regard to some things of vast importance; or they are all bent in the one direction for making money.

Man owes a duty to society as well band. as to himself. There is a society to be built up here. How is it to be

We must have churches and schools. To be sure, we do have preaching occasionally, but half the people do not know when nor where it is, and thus To say that the weather has been many are deprived of the privilege of hot the past week, gives but a faint hearing the word of God dispensed. idea of the reality. On Thusday last Nor will it be otherwise until there is the Thermometer stood at 103 in the some regular place of meeting. The promptly adjusted, and the usual facilities given to

somewhat agitated, and I hope the citizens will persevere and have a suitable house erected 'ere long.

A school house too, is very much needed. There are children enough here to fill two rooms and employ two teachers. Our youthful population is running wild. Little girls are seen romping through the streets, and climbing the bluffs; while the boys are "down town" contracting indolent habits, learning to smoke, swear and drink; and in short unfitting themselves for ever becoming good and influential

But we cannot blame boys for swear- Finch, WT ing and drinking, when men furnish Gibson, Jw for favors. The Omaha landed Call in, they'll "shave you as soon as them with every day examples of it on Gadings, N B

A lady cannot walk out in broad Hill, Willis Estate day-light, without being shocked and insulted with the language and oaths of drunken men. Nor can we sit in our own door yards of an evening without having our ears constantly saluted Lake, SM with oaths. Can our place thrive while such a state of things exists?-What will strangers think who come here with a view of settling?

If men will make brutes of themselves by drinking, can there not be some place provided where they may be locked up, and not be permitted to polute our streets with their foul pres-

Or, what would be better still, can ranty Deed given. If you would secure a bargain there not be a law instituted to prevent the selling of so much liquor in our place. In my opinion, he who tempts men to the alluring cup, is as bad as the one who partakes of it.

Surely there are enough responsible office. men here who must see the expediency of taking hold of this matter at

patronized and have no cause to regret Will they ever make men in the true sense of that word?

Here is a great work to be done. I hope the citizens will be "up and domay be speedily removed; and while they are engaged in this work of refor-CALL AND SEE MCALLISTER DOZIER mation, they may be assured of the & Co's New lot of cooking and parlor sympathy and prayers of their Moth-
