C. W. WHEELER, G. H. NIXON, } Canvassers.

To our old friend DARST, of the Admiral, we are again indebted for favors. He is one of those always on hand.

In Town.

J. R. VANNATTA, Esq., Editor of the "Rock Port Banner," called at our Sanctum on Tuesday last. We were happy to make our neighbor's acquaintance. He visited our City to see "how we were getting along" and also to solicit advertising and subscription patronage from our business men.—We think they will find it to their advantage to patronize the Banner.—Brownville gets quite a trade from the Missouri bottoms, wants more and will get it, if the people over there know what you have for sale. "Put it in the paper."

New Banking House.

Messrs CARSON & LUSHBAUGH, from Keokuk, Iowa, purchased an interest in our City a few weeks since and now have a building nearly completed on Main street, in which they will open out in the Real-Estate, Land and Money Brokerage business. Mr. CARSON has been here for several days and Mr. LUSHBAUGH will be along with his family soon. We trust their business and new home may prove profitable and agreeable, and their intercourse with the community beneficial.

Panorama of the Missouri River.

HENRY FAUL, of Council Bluff, artist, has been spending some months on the Upper-Missouri, in his "lone canoe," taking accurate drawings of every point of importance on the River from the Yellow Stone to St. Louis, preparatory to painting a panorama of the Missouri river. We were shown his drawing of this city, and of some other points, which are very accurate indeed. We have no doubt but that his work, when completed, will be creditable, and draw 'crowded houses.'

The gentlemanly Clerks of the steamers Hesperian, Omaha, Hannibal, Ryland, Min-ne-ha-ha and Edinburg have our thanks for favors.

The HESPERIAN is a new boat, this being her first trip. She is owned in St. Joseph, is a fine-looking craft, and her officers are gentlemanly and accommodating.

The E. M. RYLAND is also on her first trip, and, we trust, will find the "up-river" trade profitatable.

The elections in Kentucky have gone Democratic a clean sweep. Congressman, Legislature and State officers.

COME AT LAST.

The long looked for Books for the Nemaha Land Office, arrived Saturday night per steamer Edinburg. Nothing now remains to prevent the office going into operation but to bring up the business done at Omaha for this District, which will be attended to immediately.

FROM THE PRAIRIES.

REPORTED MURDER OF SURVEYING PARTIES.

Letters were received at Lecompton on the 15th ult., which state that the Cheyenne or Sioux Indians, or both, had attacked several of the United States surveying parties in the south-west portion of Nebraska, and murdered a number of men.

The report is that five of Capt. BERRY's and all of Col. MANNER's party, including the latter, had been murdered. We have been unable to learn particulars.

It is the opinion of those best acquainted with the country in which these parties were, and the regions of country traversed by the various tribes of Indians, that if these massacres have occurred, they were committed by the Pawnees, and that they have charged the murders on the others to escape punishment. This also is the opinion of the Surveyor General, now in our city, who states that the lands upon which the surveyors were at work, have always been claimed by the Pawnees, and that they have ever manifested great displeasure at their survey by the government.—*Kansas City Enterprize.*

Dubuque, July 31.

A. B. COLEMAN, formerly of the Astor House, N. Y., has leased the new and elegant St. Cloud Hotel, of this city, and will open it in a few weeks.

Washington, July 31.

THE INDIAN BUREAU has been informed that the sales of the western portion of the Delaware Indian Trust Lands in Kansas had, on the 15th inst., reached nearly $115,000, and it is supposed nearly half a million will be realized.

The Ottawa tribe of Indians, in Kansas, concluded a treaty with the Commissioner of Indian Affairs to-day, by which they agree to an equitatable distribution of their land among themselves. Provision is also made for their recognition as citizens, after the ratification of the treaty by the Senate.

Thirty-nine dead horses, during the week ending June 29, have been found in the streets of New York.

Philadelphia, July 31.

The wife of ex-Postmaster General CAMPBELL died in this city at an early hour this morning.

POPULATION OF HOLT COUNTY.—The population of Holt county, as reported by Mr. Galen Crow, our sheriff, who took the census in the fall of 1856, are as follows:

White males	2,663
White females	2,432
Free persons of color	2
Slaves	279
Deaf and dumb	1
Blind	2
Insane	2
Total	5,405

Holt County News.

Georgia papers announce the death of Gen. Thomas Flournoy, at his residence on the Sand Hills. Gen. Flournoy, says the Augusta Chronicle, was a man of a former generation. He survived nearly all his cotemporaries, having lived beyond the extreme limit of four score.

He was, we believe, the oldest member of the bar in the state, having been admitted before any one now practising in this city, was born.

He was long a distinguished member of the profession, from which he retired some twenty years since, and spent the evening of his days in the bosom of his family.

POOR ENCOURAGEMENT FOR ROGUES.—Texas used to be considered a paradise for rogues, but the following paragraph from the Indianolian of the 11th inst., indicates that "times ain't now as they used to was:"

Rumors constantly reach us from the upper country that the vigilance committee are raking the country, fore-and-aft, and swinging every horse-thief and murderer they can find. A gentleman who came down the road a few days ago states that he saw a dozen bodies suspended to one tree, and on another five. A great many of the desperadoes have passed through this town on their way to New Orleans—not considering it healthy for them to remain longer. If the committee continues, the country will soon get rid of all the scoundrels that have so long infested her borders.

A PRINTER TO THE LAST.—During the last moment of Winn, a Rochester printer, who lately died, he was heard to say:

"I'm on my last stickfull—I'm coming to a paragraph—and I suppose I'll have to wait for old death to put in the period."

Notice.

Editor "Nebraska Advertiser":

DEAR SIR: In looking over the last number of your paper a notice attracted my attention signed by Jerome Hoover, Esq., in which he states that certain stories are in circulation that the undersigned claim some interest in Nemaha City for the purpose of injuring its prosperity. It may do quite well to circulate a report of that nature where the facts are unknown, but to those knowing the facts such a statement is merely foolish.

And for the purpose of giving a fair opportunity to persons to ascertain the facts we hereby warn all persons from purchasing any pretended claim or interest in the said town of Nemaha City, from the said Jerome Hoover, as he has sold and received pay for nine-twelfths of said town, and suit is now pending to place the undersigned in possession of the interest by them purchased in the same; and they have not authorized the said Hoover to sell or dispose of any portion of their interest, but directed suit to be brought long since for its recovery.

El Dorado.

THE PROPRIETORS of this new town, recently laid off in Nemaha county, Nebraska, wish to call the attention of the citizens as well as those just coming into the county, to the numerous advantages, they are confident all who will take the trouble to examine will acknowledge, surround it. In the first place it is as near as possible in the geographical centre of the county—it is in the centre of population and improvement—is on the main throughfare leading North and South and East and West. The town site is nearly level, gently rollin, is surrounded by the timbers of the Missouri and Little Nemaha; good water is of easy access, several fine springs are on the town site. Good building stone near at hand—stone coal has been found in abundance within a short days travel, which can be brought into requisition for mechanical purposes of all kinds.

Another matter, it is confidently believed that the day is not far distant when a Railroad will be constructed along the river tier of counties in Nebraska, from the northren to the southren boundary. The nature of the country is such that this road must pass through Eldorado.

With its position and all those advantages surrounding it, the proprietors with many others, feel assured that it will be for the best interests of the county to locate the County Seat at Eldorado. Believing thus and feeling willing to assist the county we pledge ourselves and will enter into bond, if necessary, to donate to the County two hundred acres of land in town lots, provided the County Seat is located there within a reasonable length of time.
