Watch repairing warranted for one year. July 26, 1886. vi-n866

FOR ALL THE PURPOSES OF A FAMILY PHYSIC

THERE has long existed a public demant officetive pargative pill which could be relied sure and perfectly safe in its operation. To

been prepared to meet that designd, and

sive trial of its virtues has conclusived

what success it accomplishes the purpose

It is easy to make a physical pill, but no make the best of all pills - one which none of the objections, but all the advar-every other. This has been attempted with what success we would respect the public decision. It has been unfor the patient hitherto that almost every medicine is aerimonious and irritating to els. This is not. Many of them produce griping pain and revulsion in the systems than counterbalance the good to be them. These pills produce no irritati unless it arise from a previously exist tion or derangement in the bowels, vegetable, no harm can arise from t quantity; but it is better that any meet be taken judiciously. Minute directions use in the several diseases to which the plicable are given on the box. Among the p plaints which have been speedily cured by may mention Liver Complaint, in its varia of Jaundice, Indigestion, Languer and Lead ! betite, Listlessness, Irritability, Bilions Head Billious Fever, Fever and Ague, Pain in the and Loins ; for, in truth, all-these are but the sequence of diseased action in the liver. aperient they afford prompt and sure relief an tiveness, Piles, Colic, Dysentery, Humors, Sant and Scurvy, Colds with soremess of the boly in and impurity of the blood, Irregularities, adm any and every case where a purgative amainst They have also produced some singular essful cures in Rhenmatism, Gout, Drops, Gran Erysipolos, Palpitation of the Heart, Print a S. Back, Stomach, and Side. They should be been taken in the spring of the year, to purify the line and prepare the system for the change of such An occasional dose stimulates the stomet at bowels into healthy action, and restores the ap-tite and vigor. They purify the blood, and hydro-stimulant action on the circulatory system, asvate the strength of the body, and restor to wasted or diseased energies of the whole organ-Hence un occasional dose is advantageous, su though no serious derangement exists; let a necessary dowing should never be carried to be as every purgative medicine reduces the street when taken to excess. The thousand cases in which a physic is required cannot be connersted has in they suggest themselves to the reason of em body; and it is confidently believed this all a

harm can arise from their use in any quantity, For minute directions, see wrapper PREPARED BY DR. JAMES C. AYER
