THE FINEST FERGUSON, our
Deputy to Congress, and Col. B. P. RANKIN
are our thanks for valuable public docu-

Increase of Mail Service.
We notice a petition in circulation to
Postmaster General asking for our
mail route from Nebraska City to
Kansas Mission, Kansas Territory, to
be increased to a tri-weekly route and
to be extended to St. Joseph, Mo.

That we consider a very essential route
and undoubtedly calculated to accommo-
date and benefit a large and important
district of country. We hope our Dele-
gate in Congress will contribute his as-
sistance in securing this much needed in-
crease in our mail facilities.

Brownville, Dec. 31, 1857.
S. M. ELLIOT,
U. S. Surveyor.

I have, for my own information, ascer-
tained the bearing of the mercury upon
the temperature of the winter at this town
from the 12th to the morning of the 31st
inst., and thinking it would interest some
of your readers, I herewith hand you the
table taken 3 times a day—S. M. E. 12 m.
and 5 p. m. I find, on comparison with
the telegraphic dispatches published in
the St. Louis Republican, that there is
but a slight difference in the Temperature
at Cincinnati, Louisville, and South Ne-
braska.

our knowledge of those engaged in the

and we assure you, if you are fond of the
pleasures of the dance, you will not re-
gret it.

few days longer, and during that time
