Commercial Nursery BLOOMINGTON, ILL. The understaned beg leave to inform the Nurserymen and Farmers of the West and South-west, that they are extensively engaged in the propagation of BOOT, GRAFTED AND BUDDED STOCKS FOR NURSERIES,

especially the APPLE and a few other hardy Fruits. Having spent near twenty years in selecting their Fruits, they are now convinced that their list is unsurpas ed, both in regard to the quality and the proportions in which they cultivate. Being very destroyed the eminating them as widely as possible, they adopt the method of sending gut small, cultivated stocks for the Nursecy, as being far more practicable and safe than to maur the great expense, delay and risk of shipping large trees, which should always be raised near where they are wanted. From their long experience they flatter themselves that they are perfectly acquainted with the above tusiness and they graft only such hardy varieties as succeed well on the root, and but on seed ing stocks and the most desirable, tender and half hardy kinds. The grafting will be done at the proper season and in the best monner. The stock will be packed so u cly and shipped by express with the greatest care in marry spring to any part of the West Tany have also, on hand the largest and best crop of J. V. WESTLAKE.

MACLURA HEDGE PLANTS ever grown, for sale on best ferms, by the thousand or mittion. They may be shipped in the Fail or Spring. Their prices for Nursery stock will be found as low as any other of equal quality in the Union. Catalogue and Treatise on Hedge Culture, sent gra is to all applicants.

Patronage solicited. Or ders for Nursery stock should be sent prior to 25th of December. Address, OVERMAN'S MANN. Oct. 15 ,57-n16
