We have advi- we were partial, but there happened to tion to a great extent, has advanced steadbefore the sales, form themselves say into flimsy excuses for whining. precinct associations, select one man of their number to whom all report their names and descriptions of their lands; that this man attend the sales, and when any tract of land of which he has the description and name of occupant is offered, that he announce, or request the auctioneer to do so, that it is occupied by an actual settler who is unable to pay for it, and asks that it may be returned as offered lands, that he or they may file on it again under the provisions of the law governing offered lands, and thus have the benefit of one year further time in which to pay for it. This we believe to be in strict accordance with the law relative to public lands, and we know it is nothing more than justice.

This ground is disputed by some; and if we are correctly informed there is a division of opinion between the officers of this Land Office on that point. The position assumed by the opponents of Decouver, The Decouver, then,

within the last eighteen months, and we would like to see you continue to prosper. You are not in our way in the least, and however rapid you may advance, it will not result in retarding us in the least possible degree; But to the point. The Editor says: "So Nemaha City
