## Improvements in Brownville. Considering the exceeding hard times, were perfectly surprised on our re-

m from an absence of eight weeks to iness the improvement made within at time in our city.

We found the levee on the river all raded nicely from Main to Atlantic reets, presenting a convenient and handme wharf.

We were glad to find that our old friend and one of Nebraska's pioneers-Hon. BROWN, who we left with a raging rizona fever upon him, and which appantly nothing short of a trip across the ains could prove beneficial, had fairrecovered, and with his characteristic ergy, engaged in business in our thrivg city, of which he was the founder .-e trust he may long live to prosper nong a people for whom he has thus far bored. He has done much for Brownlie and Nemaha county, and his loss puld have been sorely felt. He has this place.

In process of erection near the landing, a large Produce and Storage Wareouse, the work of our enterprising traesmen CRANE & HILL.

Ponn, a new house, with an extensive ock of Dry Goods, Groceries, &c., with ur old friend BILLY HOBLITZELL at the ead as "chief clerk." The Doctor has rected a new business house adjoining, few days. Col. NIXON, Register of the U.S. bottle, or 6 bottles for \$5. Land Office, has erected a new residence djoining the land office, where he resides as cozily as you please. When we left home, DEN was "pegging away" alone with a half dozen pairs of boots and shoes in his shop. Now there is a large addition built to his house, and the proprietor has just returned from St. Louis with a rousing stock of boots and shoes, which he is selling "mighty cheap" for cash. CRANE & HILL have torn their old pore house "upside down," the front of which with its large show windowsclass four by six feet-filled with all the new style attractive goods one can think ef, is perfectly a la New York. HILL chitis, Spitting of Blood, Pain in the Side and Breast, who knows just what suits the people in this region, has just returned from New Chest. and Lungs. No one should neglect a Cough or York with such a stock of goods as has Cold a single day. Millions die annually by neglecting never before been opened in this western TION, and then to an early death. Reader, have you a country. We took a stroll in company a cough, cold or any disease of the lungs? Procure at with Theodore through this vast establishment, filled with huge piles of everything ty-tour howrs, and always cures the wonst cases of desirable from a "needle to an anchor." To give an idea of the business of this house even in these hard times, we take pleasure in saying that their cash sales be addressed to get the genuine. Sold by last week amounted to seventeen hundred dollars. Our old friend Father DAVID SIEGEL we found at the old stand under Johnson Hall, the same jolly, good humored clothing dealer. He too has made very large additions to his before extensive stock of goods, and is now prepared to "shield one from the wintry winds" at almost any price. Stacks of over-coats "bigger than little mountains" are there to be found. The next improvement we notice on Main street, is the additional stock of J. H. MAUN & Co. City Drug Store. There for chills, fever and ague, and materious diseases. is a nice new stock of fancy notions, botled liquors, (J-e-r-u-s-a-l-e-m! but they have some that's nice !) segars. blue pills knowledge of it, I believe it the best remedy for chills, and "agy medicine."
