"COMBINATION PATENT."
UPRIGHT STEAM SAW MILL.
This mill commands the universal admiration of sawmill men everywhere. As its merits become known, the demand for it increases. Orders are coming from every section of this country, Canada, Cuba, and South America. It is suited for every section of the world wherever there is timber to be sawed, no matter of what character how hard, how large or how small. Two extensive manufactories are now engaged in building these mills, yet it is almost impossible to turn them out as fast as they are wanted. They embrace several valuable patents and improvements, and combine all of the following advantages:
Simplicity—Both the mill and power are so simple in their construction that any one of ordinary mechanical ability can comprehend them, put them up and run them without fear of difficulty.
Portability—The whole establishment can be very quickly taken apart and put together, thus rendering it easy to be moved from place to place as desired, and saving the necessity of drawing the logs a long distance to
Durability—It is constructed in the most solid and substantial manner, runs perfectly still, is not liable to get out of order, and will last for years without repair.
Rapidity—It will saw faster than any other upright upright mill. The speed of the saw is about three hundred strokes per minute, and the feed from one-eighth to three-quarters of an inch per stroke. Thus, at a medium speed the saw will cut through a log twenty-*four* feet long in about three minutes. From this data any one knowing the character of the timber can calculate how much it will do.
Efficiency—It does its work well, cuts smoother and straighter than the ordinary mills, and the arrangement of the saw is such as to render it utterly impossible for it to run out of line.
Cheapness—The entire cost of the mill, with fifteen horse power and everything all complete and ready for running, boxed and ready for shipment in St. Louis, is only $1,700.
This mill requires less power to drive than any other mill, and the power furnished is sufficient to drive extra machinery.
A circular containing full particulars will be sent to any one desiring it. All orders should be addressed to

PROPRIETORS OF THE

SAFE AND SCALE WORK
SAINT LOUIS, MO.,
Bank Safes of Hardened Steel, and Chilled Iron, Jewellers' and Express Safes, Vaults, Bank Locks, &c.
The recent test of Safes of the different Manufactures in the GREAT FIRE of the City Buildings, in which the Excelsior triumphed over all others, fully establishes the superiority of the Excelsior Safe, which merits the confidence of all interested in Safes, and the security of their contents. The Excelsior being the only safe after being in the fire for ninety hours, and taken out red hot, that saved the Books and Papers, while a large number of the others, in the fire but a short time, were taken out with their contents entirely consumed, must impress all with the necessity of examining their safes, and those purchasing to be sure beyond a doubt, of the Safe having stood the test and come out victorious. we pledge ourselves to manufacture none but such as can be relied on, and refer to the following
Certificate.
We, the undersigned, take pleasure in certifying to the successful test Beard & Brother's Excelsior fire-proof Safes were submitted to in the burning of the City Buildings, the nineteenth of November, 1856, and are justified in recommending them to all who need safes.

What? Why a beautiful Head of Hair
Because it the ornament *God Himself provided* for all our race. Reader, although the rose may bloom ever so brightly in the glowing cheek, the eye be ever so sparkling, the teeth be those of pearls, if the head is bereft of its covering, or the hair be snarled and shriveled, *harsh and dry*, or worse still, if sprinkled with gray, nature will lose more than half her charms. Prof. Wood's Hair Restorative, if used two or three times a week, will restore and permanently secure to all such an ornament. Read the following and judge. The writer of the first is the *celebrated pianist Thalberg:*
New York; April 19, 1856.
DR WOOD—*Dear Sir:* Permit me to express to you the obligations I am under for the entire restoration of my hair to its original color; about the time of my arrival in the United States it was rapidly becoming gray, but upon the application of your Hair Restorative, it soon recovered its original hue. I consider your restorative as a very wonderful invention, quite efficatious as well as agreeable. I am yours truly.
S THALBERG.
'Dryeh sir Gwylledydd'
Welsh Newspaper office, Nassau st., April 12, '58
Prof O J WOOD—*Dear Sir:*—Some month or six weeks ago, I received a bottle of your Hair Restorative and gave it my wife, who concluded to try it on her hair little thinking at the time that it would restore the gray hair to its original color, but to her as well as my surprise, after a few weeks' trial it has performed that wonderful effect by turning all the gray hairs to a dark brown, at the same time beautifying and thickening the hair. I strongly recommend the above Restorative to all persons in want of such a change of their hair.
CHARLES CARDEW
New York, July 25, 1858.
Prof O J WOOD: With confidence do I recommend your Hair Restorative, as being the most efficacious article I ever saw. Since using your Hair Restorative my hairs and whiskers which were almost white have gradually grown dark: and I now feel confident that a few more applications will restore them to their natural color.
J G KILEY.
Chicago, Ill, May 1, 1857.
Prof WOOD—About two years ago my hair commenced falling off and turning gray: I was fast becoming bald, and had tried many remedies to no effect, I commenced using your Restorative in January last. A few applications fastened my hair firmly. It began to fill up, grow out, and turned back to its former color (black). At this time it is fully restored to its original color, health and appearance, and I cheerfully recommend its use.
J D HOES
The Restorative is put in bottles of 3 sizes, viz: large, medium and small; the small holds half a pint, and retails for $1 per bottle; the medium holds at least 30 per cent more in proportion than the small, retails for $2 per bottle; the large holds a quart, 40 per cent more in proportion and retails for $3.

McCORMICK'S
Reaper & Mower for 1858
C. HYATT & Co., Agents,
St. Joseph, Missouri,
Is again offered to the farmers of Missouri, and Nebraska, as the best Reaper in the world, and the best combined Reaper and Mower, and is so warranted. For five years past I have avoided attending the various State and County Fairs, for the purpose of seeking premiums, regarding my machine as too well known to need that sort of commendation. In July last the United States Agricultural society, at their Fair at Syracuse, New York, awarded to me a
GOLD MEDAL and DIPLOMA.
For the best reaper, after a severe test, in heavy tangled rye over hilly and uneven ground. Also the 'Great Central Medal' was awarded by the exhibition of all nations in London in 1851 to C. McCormick, on the ground of the originality and value of his AMERICAN REAPER, and also at the great French Exhibition at Paris, in 1855, was awarded the Grand Gold Medal of Honor. Also the highest prize awarded to any reaping machine by the Royal Agricultural Society of England in 1857, and still more glorious, the highest satisfaction and approval of over 100,000 farmer of our own country.
Farmers desiring the McCormick Reaper and Mower for the present year will secure by leaving their orders should be sent on before the 1st day of March next.

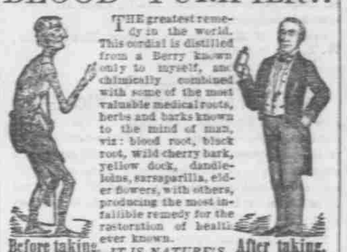
MEDICINES.

McLean's
STRENGTHENING CORDIAL
AND
BLOOD PURIFIER!!


Before taking. After taking.
THE greatest remedy in the world. This cordial is distilled from a Berry known only to myself, and chimically combined with some of the most valuable medical roots, herbs and barks known to the mind of man, viz: blood root, black root, wild cherry bark, yellow dock, dandelions, sarsaparilla, elder flowers, with others, producing the most infallible remedy for the restoration of health ever known.
IT IS NATURE'S OWN REMEDY, curing diseases by natural laws.—When taken its healing influence is felt coursing thro'ch every vein of the body, purifying and accelerating the circulation of the blood. It neutralizes any bilious matter in the stomach, and strengthens the whole organization.
McLean's Strengthening Cordial will effectually cure Liver Complaints, Dyspepsia, Jaundice, Chronic or Nervous Debility, Diseases of the Kidneys, and all Diseases arising from a Disordered Liver or Stomach,
Heartburn, inward piles, acidity or sickness of the stomach, fullness of blood to the head, dull pain or swimming in the head, palpitations of the heart, choking or suffocating feelings when laying down, dryness or yellowness of the skin and eyes, sudden flushes of heat, depression of spirits, &c.
There is no mistake about it.
This cordial will never fail to cure any of the above diseases, if taken as per directions on each bottle, in German, English and French.
Over half a million of bottles
Have been sold during the past six months, and in no instance has it failed in giving entire satisfaction. Who then will suffer from weakness or debility when McLean's Strengthening Cordial will cure you?
To the Ladies.
Do you wish to be healthy and strong? Then go at once and get some of McLean's Cordial? It will strengthen and invigorate your blood to flow through every vein, and the rich rosy bloom of health to mount to your cheek again. Every bottle warranted to give satisfaction.
For Children.
We say to parents, if your children are sickly, puny or afflicted with complaints prevalent among children, give them a small quantity of McLean's Cordial. It sells rapidly, because it always cures. Delay not a moment.
Every Country Merchant
Should not leave the city until he had procured a supply of McLean's Strengthening cordial. A liberal discount will be made to those who buy to sell again.
CAUTION—Beware of druggist or dealer who may try to palm upon you some Bitter or Sarsaparilla trash, which they can buy cheap, by saying it is just as good.—Avoid such men. Ask for McLean's Strengthening cordial, and take nothing else. It is the only remedy that will purify the blood throughout, and at the same time strengthen the system.
One table spoonful taken every morning is a certain preventive for cholera, chills and fever, yellow fever, or any prevalent disease.
Price only $1 per bottle, or 6 bottles for $5.
