Who will Strike?

Citizens of Brownville, permit me to say a few words respecting the new road to Cherry Creek, which has been talked of so much of late.

It is to my interest and your interest, that this road be opened. To consummate that object, but little more than a survey of the route is required. Nature has already done much for us in location and numerous other advantages, and what I speak I am prepared to back up

Then, having been placed by the hand of Nature in a favorable position to the gold country west of us, I ask, "Who for liver complaint and dyspepsia, it used a proper will strike?" Who will go to work in laying off the road, and preparing it for mind that Dr. Easterly's Iodine and Sarsaparille will the great tide of emigration that will certainly pour into our town and county on the first appearance of Spring? Don't fold your arms, and see points above and below us, making roads which will do wonders in attracting emigrants. THE SEE AT THE SEEKE ROT

DR. EASTERLY'S Iddine and Sarsaparilla

Will dure all diseases arising from an impure state of the BLOOD, or a depraved condition of the fluids of the system, viz: cancers, swelling of the glands, rheumatsm, white swellings, chronic sore eyes, piles, polls, erysipelas, goitres, pains in the bones and joints, ulcers in the mouth and throat, and all chronic constitutional diseases. This medicine searches but the very roots of the disease by purifying the blood, and changing the secretions in the system, thus removing the cause, which renders the cure certain and permanent. Dr. Easterly's Iodine and Sarsaparilla will cure the

ery particle of mercury which is in the system, and cure and will drive the syphilitic virus and all hereditary igints and poisonous matter out of the system through the pores of the skin, and restere the patient to a perfect state of health and purity. It is a positive cure length of time. I challenge the world to produce its equal in these complaints. The afflicted will bear in cure all nervous diseases, female comploints, dropsy, graveo, diseases of the kidney's, bladder, and urinary

It will remove pimples and blotches from the face, and make the skin clear, white and beautiful as alabaster. It does this by purifying the blood, and by its prompt action on the liver. kidneys, and secretory organs, producing vigorous health.

Persons who have long been afficied with scrofula old sores, tetrer, ringworm, scald head, blotches, eruptions of the skin, and all cutaneous diseases, are advised to procure Gridley's Sait Rhoum and Tetter Ointment to Easterly's Iodine and Sarsaparilla. The Iodine and Sarsaparilla purifies the blood, and causes the sores to them. When both are used (which I always recommend) a permanent and rad cal cure is always effected. They are the best and most powerful curatives known to man. A fair trial is all I ask-I do not fear the result. Price of the Iodine and Sarsnparilla, \$1 per bottle, or 6 bottles for \$5. Gridley's Salt Rheum Ointment 75 cents per bottle. Both are prepared by Dr. Easterly,
