#### DR. EASTERLY'S Iodine and Sarsaparilla . H. M'LAUGHEIN

Will cure all diseases arising from an impure state of the BLOOD, or a depraved condition of the fluids of the system; viz: cancers, swelling of the glands, rheumatand, while swellings, chronic sore cres, piles, polls, erysipelas, guitres, pains in the bones and joints, uicers in the month and throat, and all chronic constitu-

tional diseases. This medicine searches out the very roots of the disease by purifying the blood, and changing the secretions in the system, thus removing the cause,

which renders the cure certain and permanent. Dr. Easterly's lodine and Sarsaparilla will cure the worst mercurial disease, and drive out and destroy ev-

baster. It does this by purifying the blood, and by its prompt action on the liver. kidneys, and secretory organs, producing vigorous health.

Persons who have long been afficied with scrofula, old sores, tetter, ringworm, scald head, blotches, eruptions of the skin, and all cutaneous diseases, are advised to procure Gridley's Salt Rhoum and Tetter Ointment to apply on the sores and diseased parts, when using Dr.

Easterly's lodine and Sarsaparilla. The lodine and Sarsaparilla purifies the blood, and causes the sores to discharge their putrid matter, and the ointment heals them. When both are used (which I always recommend) a permanent and radical cure is always effected. They are the best and most powerful curatives known to man,
