A Short Patent Sermon.

BY DOW JR. Text-Pay the Printer.

My DEAR FRIENDS .- The debt that sits heaviest upon the conscience of a mortal, provided he has one, is the debt due to the printer. It presses harder on one's bosom than the night mare, galls the soul, frets and chafes every ennobling sentiment, squeezes all the juice of fraternal sympathy from the heart, and leaves it drier than the surface of a roasted po-

and good; free from the torture of a guilty conscience, the morufication of repeated duns, and escape from falling into ing. the clutches of a lawyer, which is lone and the same thing. If you are honest we are now prepared to fill all orders our line with promptness and on the he most reasonable terms. Our stock is and pay the printer. You will not wait till to-morrow; it is tract the following:

but a visionary receptacle for unredeem- Dr. De Haas, of Virginia, whose dised promises-an addled egg in the covery of an inscription in one of the great nest of the future, the debtor's ancient mounds of the west excited conhope, the creditor's curse.
