Advertiser to all Subscribers and Advertisers.

Advertiser, and receive and repeat same thereto.

Advertiser, and the Foster Job Printer, is despatched and forwarded by the Foster Job Printer, to all persons interested in the execution of Job Work, giving one of Foster's latest Improved Card Blanks, Work in Color, Brown's Work, etc., will be sent free of charge, to those who will pay for it, to be forwarded to him for satisfaction.

The "Nebraska Advertiser" having in the largest circulation of any paper in the Territory, Wholesale Merchants in St. Louis, Cincinnati and other Eastern markets where Nebraska merchants purchase, will find no better advertising medium than the Western Country.

Printing Office For Sale.

Being desirous of engaging in other business we will sell the "Advertiser" establishment on favorable terms.

The paper is one of the oldest and most thoroughly established in the Territory; The job Department is without doubt, the most active above St. Louis, and the subscription list, advertising and job patronage, superior to that of any other establishment in Nebraska.

My motto through life has been—work and Advertising.

Who forges the old apple, and cherry tree, the lilac and rose bush, the meadow and hay making; the grain field and harvest; the pasture and its tenants; the high-side and apple bees, and berry parties; the day, and singing, and spelling schools and meetings—all radiating from and clustering around that dear old home. Reader make a home thus attractive and to be remembered by purchasing JOHN GARRETT & CO., dealers seeds, plants and Agricultural implements, St. Louis, Mo.

RANDALS, of the firm of Randals Gou-

& Co., of St. Louis, will accept our banks for a supply of most excellent quality Belleville Ale, with which he had the kindness to tempt us. Mr. R. can be found on the Omaha, when and where he is prepared at all times to supply our country tradesmen with Groceries, provisions, liquors, &c., and also purasing produce.

For the Gold Mines.

On Friday last, Benjamin Rogers, Mr.

Cotton and Charles Heywood, of this place, and Mr. Hewett from Maine,

left the city for the mines. They went with a horse team.

They will undoubtedly "see the elephant," by starting thus early in the season.

on a Visit to Her Friends.

Mrs. MORSE, wife of Acting Gov.

Morton, of this Territory, passed down

the Omaha, on her way to visit friends in the States. May her journey prove safe, and her visit pleasant.

County Fair.

If the County Fair should not be held in Brownville, let there be no complaining!

is Expected.

We learn from our Omaha exchanges,

that Conner, Bryant, Allen and Seely,

charged with taking from the Omaha

and inquiring Braden and Daly,

some time since, were last week acquited.

The River.

The steamer THOS. E. TUTT reached our wharf on Thursday evening, last, from St. Louis. She left freight and passengers at the point.

The OMAHA, on her return from above, landed here on Sunday morning. She had a good load of passengers, and well freighted for a down trip. She received ten or fifteen passengers and additional freight, and also laid in a stock of supplies at this place.

The Tutt also passed down the same day.

School Directors.

The following named gentlemen were elected directors for school district No. 3, Nemaha City:

A. D. WILLIAMSON, three years;

JOHN BARNES, two years;

DAVID LOCKWOOD, one year.

Garden Seeds.

See the advertisement of McALISTER & PONN. They have a fine supply of fresh seed.

New Arrival.

Mr. Hill, and Mr. Pox, arrived on

the Emigrant to-day; each bringing piles

of New Goods. Now look out for an unparallelled display, particulars next week.

The mother of the late W. H. Prescott, once showed his room to Rev. Mr. Frothingham and said to him: "This is where William was shut up for so many months in utter darkness. In all that trying season, when so much had to be endured, and our hearts were ready to fail us for fear, I never in a single instance grouped my way across the apartment to take my place by his side, that he did not salute me with some hearty expression of good cheer. Not in a single instance. As if we were the patients and it was his place to comfort us."

No word of complaint throughout all that dismal period no sign of impatience or regret. He was not content even with the perfect silence of an unrepining will. But he must sing in that imprisonment will. Was this not an example?

It is the greatest privilege of poverty to be happy unenvied—to be healthy without physic, secure without a guard, and obtain from the bounty of nature what the great and wealthy are compelled to procure by the help of art.

Opinions of Distinguished BUSINESS MEN.

Advertise your business. Do not hide your light under a bushel. Whatever your calling or occupation may be, if it needs support from the public, advertise it so that all your neighbors, who would doubtless be your customers, if they could see a copy of the "Advertiser," we always send a specimen paper, gratis.

Persons who have long been afflicted with scrofula, old sores, tetter, ringworm, scald, blisters, eruptions on the skin, and all cutaneous diseases, are advised to procure Grifte's Salt Balsom and Trotter's Ointment to apply on the sores and diseased parts, when using Dr. Easterly's Iodine and Sarsaparilla. The Iodine and Sarsaparilla partake the blood, and causes the pores to discharge their putrid matter, and the ointment heals them. When both are used together, the Iodine partakes the blood, and causes the pores to discharge their putrid matter, and the ointment heals them. A permanent and radical cure is always effected. They are the best and most powerful cures known to man. A fair trial is all I ask—I do not fear the result.
