It will cure secondary syphilis or veneral disease, and will drive the syphilitic virus and all hereditary taints and poisonous matter out of the system through the pores of the skin, and restore the patient to a perfect-state of health and purity. It is a positive cure for liver complaint and dyspepsia, it used a proper ength of time. I challenge the world to produce it's equal in these complaints. The afflicted will bear in mind that Dr. Easterly's Iodine and Sarsaparilla will cure all nervous diseases, female comploiuts, dropsy, graveo, diseases of the kidney's, bladder, and urinary organs, in a few days.

It will remove pimples and blotches from the face and make the skin clear, white and beautiful as alabaster. It does this by purifying the blood, and by its prompt action on the liver. kidneys, and secretory: organs, producing vigorous health.

Persons who have long been afflicied with scrofula, old sores, tetter, ringworm, scald head, blotches, eruptions of the skin, and all cutaneous diseases, are advised to procure Gridley's Salt Rhoum and Tetter Gintment to apply on the sores and diseased parts, when using Dr. Easterly's Iodine and Sarsaparille. The Iodine and Sarsaparilla purifies the blood, and causes the sores to discharge their putrid matter, and the ointment healsthem.
