Is Found at Last! This remedy, claimed by the medical profession and the multiplied tiousands that have used it and tested its wonderful curative properties, to be the greatest discovery in medical science, and nature's own remedy, is the result of jears of toil and study, by one of Ohio's THE above named machines are unquestionably the most simple, cheap and durable effered for sale. They would meet the wishes of suffering humanity, and thousands from the princely palace and humblest cottage This machine received the first premium at the last Fair of the St. Louis Agricultural and Mechanical Association, for being the BEST FOUR HORSE THRESHER dences in its fawr.

Messes, S. E. Mann & CO-We find your Agus It having threshed and cleaned more Wheat, alsam superior to any remedy in our market for the ermanent cure of all malarious diseases. We cheerfully recommend it as worthy that great name it has wherever sold and used. Very Truly Yours, RICHARDS & THOMAS. Our Lever Cabin Horse Power was awarded at the ame fair the Grand Go'd Medal of Honor.

We are this season prepared to furnish these machines

To the sufferers from Chills, Fever and Ague, I cheerlly submit the following: Having observed closely ith several fate improvements, and we guarrantee the the effects of Dr. Mann's Ague Balsam in this vicinit vorkmanship and material shall not be excelled by any for the past three years, I am well pleased with its re medial virtues as an antidote to malaria. I have frequently used it in my practice, and with entire satis faction. From my intimate knowledge of this compound I recommend it as safe, promt and efficient.

N. E. HACKEDOM, M. D. Galion, Ohio, April 1st, 1858.

PATENT COMBINED BLUFTON, Ind., May 17, 1858.
MESSRS. S. K MANN & CO.-Having sold your Balum for the past three years to scores of persons in this MOWER AND REAPER. cinity, and closely observing its effects, we do not esitate in saying, we believe it the best remedy ever old in Indiana, and will effectually cure chills fever and rill effectually cure chills, fever and ague without fail Truly Yours, PHILLIMAN & KEARNS, Drug'is.

DR. MANN-Please send me one half gross more of your Ague Balsam immediately. It is ingreat domand, and may be truly styled the King of Fever and Ague.

J. LYTLE. ST. Louis, March 1st, 1858. MESSRS, SK MANN & CO-We have sold a large amount of your Ague Balsam the past three years, and and valuable imprevements, and made in a style certain find that where introduced and sold it has no equal it the history of ague remedies, and from all parts of the Its past success, both as a Reaper and Mower, warrant west we hear the same cheering news-it never fail to cure its patient-and is looked upon in this country in recommending it to purchasers as a machine that as the best medicieine for chills, fever and ague ever Our facilities for manufacturing will enable us to fill all orders promptly, but would be pleased to receive S. K. MANN & CO., Proprietors, Galorders, so that we may fill them on the day they are ion Ohio. Sold by J. H. MAUN & Co.

"COMBINATION PATENT." UPRIGHT STEAM SAW MILL. nill men everywhere. As its merits become known, the demand for it increases. Orders are coming from every out peculiarly favorable inducements, to persons

section of this country, Canada, Cuba, and South America. It is suited for every section of the world wherever there is timber to be sawed, no matter of what character how hard, how large or how small. Two extensive manufactories are now engaged in building these mills, yet if is almost impossible to turn them out as fast as they are wanted. They embrace several valuable patents and improvements, and combine all of the following ad-Simplicity-Both the mill and power are so simple in their construction that any one of ordinary mechanical bility can comprehend them, put them up and run them

without danger or difficulty.

Portability—The whole establishment can be very quickly taken apart and put together, thus rendering it easy to be moved from place to place as desired, and say-Durability-It is constructed in the most solid and ubstantial manner, runs perfectly still, is not liable to et out of order, and will last for years without repair. Rapidity-It will saw faster than any other upright pright mill. The speed of the saw is about three hun red strokes per minute, and the feed from one-eighth to three-quarters of an inch per stroke. Thus, at a medium ng in about three minutes. From this data any one nowing the character of the timber can calculate how meh it will do. Effliciency-It does its work well, cuts smoother and

raighter than the ordinary mills, and the arrangement f the saw is such as to render it utterly impossible for t to run out of line. Cheapness-The entire lost of the mill, with fifteen orse power and everything all complete and ready for unning, boxed and ready for shipment in St. Louis, is This mill requires less power to drive than any other

mill, and the power furnished is sufficient to drive extra Acircular containing full particulars will be sent to my one desiring it. They are prepared, from this date, to grant open policies, and take risks, upon equal terms, with the most favored Insurance Company any where. Having adopted the mutual principle, its patrons, without incurring any liability, will share in the profits of

The operations of the Company, will be confined, for the present, to MARINE, or CARGO risks, with a maximum liability of \$12,500 on any one bottom. Being the only Insurance Office, on the above popular plan, West of the Missouri, it confidently expeets a generous support from Western Merchants. We respectfully invite the Missouri River pa-
