THURSDAY MORNING, NOV. 3, 1859.

FOR PRESIDENT IN 1860. Of the United States.

FOR VICE-PRESIDENT, ANDREW JOHNSON. Of Tennessee.

To-day we place at our mast-head, as a candidate for the office of President of the United States, the name of STEPHEN A. Douglas, the brightest star in the political firmament! A man who is of, and loved country to move harmoniously on, as tant! "Stick a pin there!" low Americans, which cannot fail to be consumption," and ten to compromis own native State. History will accord portion of Nebraska, at the expense

The people from the North and the from creditable to the fulminators.

consider the people of the Territories more particularly.

"keep him before the people."

do so for a number of reasons. First; highly incensed. Here is the extract : ANDREW JOHNSON of Tennessee, is the Peru, the place of Daily's residence. firm, steadfast and immovable friend, and contains about half a dozen houses, and one long contemplated by Brown and place. Tom Miller was appointed at Co- Kansas-Nebraska bill passed, and gave it in Brownville, in said county, of Nemaha on Mon advocate of the rights of the laboring we are told can give about fifty legal other such spirits, and extended through Miller was afterwards removed for being I did, viz: It acknowledged the right of man may accomplish for himself by perse-informed, on creditable authority, that verance and industry under the privileges men from Missouri were continually per's Ferry, Startling developments may terwards sent to Kansas, and Tom Mil- cause I supposed, what I do not now be-Not unlike David of old, who, from a hum- day." ble shepherd, arose to the position of a "At Falls City Precinct, Richardson and others of a like kidney will yet be sume his old position. Will somebody inform

quit" voting for abolitionists ? As to the vote in Richardson and Pawnee counties, and the character of their citizens, the same may be said. We have conversed with a number of citizens of both those counties, who supported Gen. Estabrook, who now are irreconciliably incensed that the communities in which they live should be so vilified as they have been, by these "only two papers in Nebraska," since the election. The fact is those counties did not poll their full vote -did not poll as many as they did last year! Oroe and Douglas, the homes of the "only two papers in Nebraska," fell far short of their last year's vote-the latter nearly 500 less than she cast two

We are perhaps giving the fulsome articles of the "only two papers in Nebraska" too much notice; would pass them unnoticed but for the effect they might have at a distance, where the unscrupleousness and irresponsibility of those in have recently nominated Judge Bates as charge of the editorial departments of a Presidential candidate. The Missouri those papers are not known. Here, at Democrat thinks the Opposition Convenhome, where they are known, such "stuff" | tion of the State will endorse his nominacreates only feelings of contempt and tion. But it adds: able people-an inevitable tendency to Union of the Opposition. He would in-

get themselves in election excitements; Republican party. His name will not be so far forget what is due the intelligence lent to those, if such there be, who conand honor of the people of Nebraska, as field, or who refuse to admit that the exto resort to such fraudulent measures as at Ft. Kearney; and, worse than all, that citizens in the present critical situation of charges of fraud should be heaped upon innocent portions, or sections of the Territory, as a means by which those frauds are to be covered up. Shame upon such conduct; shame upon men who will practice or countenance it. The well-wishers; the friends; the stamina of Nebraska, have a consolation in knowing that such acts will not always be tolerated .-Such an unsafe, unwholesome course can ing melancholly announcement: not prevail long among American citizens, and cannot fail to rebound with disastrous effect upon the perpetrators, or
