A Benevalent Institution established by special Er dowment. for the relief of the sick and distressed, afflicted with Virulent and Epedemic Disease.

THE Howard Association, in view of the swful distruction of human life caused by Sexual diseases, and the sptions practiced upon the unfortunate victims of such lineare by Quacks, several years ago directed their Consulting Surgeon, as a charitable act worthy of their to open a dispensary for the treatment of this class of diseases, in all their forms, and to give Medical Advice Gratis to all who apply by letter, with a descrip tion of their condition (age, occupation, habits of life Ac) and in case of extreme poverty, to furnish medicines free of charge. It is peedless to add that the Association commands the highest Medical skill of the age, and will furnish the most approved modern treatment. The Directors of the Association, in their Annual Renual Report upon the treatment of Sexual Diseases, express the highest satisfaction with the success which has attended the labors of their Surgeons in the cure of Spermatorrhoea; Seminal Weakness; Gouorrhoea; Gleet; Syphilis; the vice of Onanism or self-abuse, disease of

the Eidneys and Bladder, &c., and order a continuance of the same plan for the ensning year. The Directors, on a review of the past, feel assured that their labors in this sphere of benevolent effort have been of great benefit to the afflished, especially to the young, and they have resolved to devote themselves. with renewed zeal, to this very important and much de

apleed car An admirable Report on Spermatorrhoea, or Seminal Weakness, the vice of Onanism, Masturbation or selfsbuse, and other diseases of the Sexual organs, by the sowulting Surgeon, will be sent by mall (in a scale envelope) FREE OF CHARGE, on the receipt of TWO STAMPS for postage. Other reports and Tracts on the nature and treatment of Sexual diseases, diet, &c., are constantly being published for gratuitous distribution, and will be sent to the afflicted. Some of the new remedics and methods of treatmnets discovered during the ant year are of great value.
